#### **South Davie Middle School Mission Statement**

Teach Inspire Grow Enrich Relate Succeed

#### **Tigers Win Battles!**

#### South Davie Middle School Vision

South Davie staff, parents, and community will empower every student to achieve their maximum potential academically, socially, and emotionally. The faculty, staff, and students will recognize and commit to achieving their personal best to become future-ready citizens in their communities.

#### **House System**

At SDMS, we believe that all students belong to a community of learners to do life together. The House System is a dynamic, exciting, and proven way to create a positive climate and culture for students and staff. Each House has unique properties such as its own color, symbols, nation of heritage, history, and more. Over time, each House also starts to take on its own values and personality driven by the culture of the students and staff within it.

#### • Student Leaders

 Each House System will choose a student leader to represent their House with school based decisions. Student House Leaders will be required to attend a leadership training to deepen their skillset. They will serve on Student Advisory and give feedback to the superintendent. Student House Leaders will also give tours to new students that enroll during the school year.

#### Parent Leaders

 When a student is chosen as a House Leader, they will be invited to a meal with their parents. Parents of House Leaders will be educated on the House Core Values by their students in hopes that we can continue to partner with them to grow future leaders.

The lobby doors will be opened each day at 7:20 am to admit students. **Students should not arrive on campus before 7:20am**. Tardy bell will ring at 7:45am. Dismissal bell rings at 3:00pm.

**Walkers** must have written parental permission on file in the office to walk home from school. This must be pre approved by the administration

#### **Tardy Policy**

#### Tardy to School: (DCS 4400 E2b)

Anytime a student arrives at school after 7:45 am, he/she must sign in with office staff. Any checkout from school prior to the designated dismissal time shall be considered an early dismissal. For the purpose of retention, 10 tardies and/or early departures equal one day of absence.

#### **Attendance Policy**

#### Absences: (DCS Policy 4400 E2)

A student may miss no more than <u>five</u> days during a nine-week grading period. Should a student miss more than five days in any class during a grading period, the student will be in danger of failing the class for the quarter. If the student is passing and has excessive absences, the grade shall be recorded as an FF. Feel free to email absence notes to <u>sdmsattendance@davie.k12.nc.us</u> or have your child turn them in at the front office.

Students who are not present for at least half of the instructional day may not participate or attend plays, musicals, athletic events, etc. on the day in which they are absent regardless of whether the absence is excused or not.

The current attendance policy is available on the district website: https://www.godavie.org/families

#### **Parent Contact:**

A computerized calling program calls in the evenings to notify parents/guardians when students are absent that school day. Parents/Guardians are contacted when a student reaches three days of absences in a quarter and again when students reach day five.

#### **Absentee Notes:**

For an absence to be counted as an Excused Absence, students are *required* to bring documentation within five days upon returning to school. You may also email all documentation and absent notes to <a href="mailto:sdmsattendance@davie.k12.nc.us">sdmsattendance@davie.k12.nc.us</a>. If documentation is not provided the absence will be coded as Unexcused. Documentation absences can include the following: a note from a parent/guardian, a note from a doctor or dentist, a funeral program, a note from the court, etc.

#### **Athletic Eligibility**

According to the handbook, Middle/Junior High School Athletics in the North Carolina Public Schools, students in grades 6-9 must pass one less course than the number of core courses each semester and meet promotion standards established by the LEA. A student who failed any two courses during the second semester will be ineligible during the first semester of the next school year. A student who is failing more than one class (any class, not only core classes) at the end of the first quarter will be ineligible for the remainder of the first semester. A student who is failing more than one class (any class, not only core classes) at the end of the third quarter will be ineligible for the remainder of the second semester. The student must also be in attendance 85% of the previous semester (can miss up to 13 days).

<u>UPDATE as of JULY 2022</u>: We recognize there are a lot of students who are still struggling with getting back into the routine of attending school regularly in the wake of the pandemic. We are trying to be as understanding as possible. However, coaches, parents, and athletes need to understand that we will go back to the former NCHSAA and current district policy of 85% attendance required for athletic eligibility. This means that students are allowed 13 absences (combining excused and unexcused) per semester. If a student goes over 13 absences for the semester, the student is ineligible for athletics the following semester. Any COVID-19 required quarantines (documented on the quarantine list) will not count against a student for eligibility purposes.

If a parent wishes to request a waiver, then they must initiate that request with the school athletic director and assist the athletic director with gathering any pertinent information to support granting the waiver. The waiver committee (with input from a school administrator and the County AD) will make the final decision on waiving the attendance policy.

#### After School Events (Clear Bag Policy)

Students attending athletic and other large after-school events must use an approved clear bag. Please see the flier below for what is approved and prohibited.

#### **Leaving School**

For security reasons, we ask that adults:

- 1. Present identification and remain in the office until the student arrives in the office to sign out.
- 2. All transportation changes must be made through the front office by 2:30pm.
- 3. In addition, we also do not accept transportation changes made over the phone.
  - a. Transportation changes must be in person, in our office, with a written note (that must be turned in to the front office upon arrival), or email <a href="mailto:garciaj@davie.k12.nc.us">garciaj@davie.k12.nc.us</a> or <a href="mailto:bowmank@davie.k12.nc.us">bowmank@davie.k12.nc.us</a>
    - . All changes that we do receive will be verified with a phone call to the parent.
- 4. If a student misses one-half or more of the instructional day (three and one-half hours), he or she will be recorded as absent from school.

#### MIDDLE SCHOOL DRESS CODE EXPECTATIONS

#### Consequences:

All students with dress code violations will be required to correct the violation (change clothes, call home for change of clothes, wear PE uniform, spend the day in AID, etc.) and will also receive a consequence as listed below in the Behavior Consequences Chart

#### **Discipline Policy**

The goal of South Davie's discipline procedure is to ensure each student's right to a wholesome and supportive learning atmosphere. Student well-being is addressed by building a bridge of social-emotional strategies school-wide and creating clear actions of consequences. This process will establish student safety and provide a learning environment for success. Promoting effective discipline requires a comprehensive program supported by everyone in the school community – family, parents, teachers, and administrators.

#### **Student Support Services for Social-Emotional Well-Being**

Services are available to every student in the school to support overall social and emotional well-being. These services include assistance with educational planning; occupational information; career information; study help; help with home, school, and/or social concerns; or any question the students feel they would like to discuss with a counselor. Students who wish to visit the counselor should contact the counseling office to make an appointment. Our school counselor, Ms. Chelsea Keaton Surber, can be contacted by calling the school or emailing her at <a href="mailto:keatonc@davie.k12.nc.us">keatonc@davie.k12.nc.us</a>.

South Davie surveys staff and students multiple times a year to indicate needs for counseling and support services. This allows us to make intervention plans for students. South Davie is blessed to have Behavior Support Assistants that focus on preventative measures for all students. Strategies are put in place to provide social emotional student support.

#### Positive Behavioral Interventions and Supports (PBIS)

Positive Behavioral Interventions and Supports (PBIS) are designed to be a proactive program that focuses on the prevention of misbehavior and modeling of expectations. PBIS is also designed to reward students for positive behavior during the course of the school year and provide set consequences when needed. PBIS applies to the total school environment, from the bus to and from school, throughout the school day, and into curricular and extracurricular activities held outside the school day. Each year, students that remain on level four will earn privileges and incentives.

South Davie's discipline system includes four components:

- 1. Verbal Warning
- 2. Written warning (infraction slips)
  - a. A student might get an infraction slip for not completing assigned classwork or homework, for repeatedly coming to class without materials, for minor misbehavior, or for a number of other possible reasons.
  - b. If a student receives 3 infraction slips during a 5-day period, the student will drop a level and it begins to affect that student's rights and privileges at school.
- 3. Processing (up to one class period)
  - a. Any referral to the processing room or the office for a discipline matter will also affect a student's placement on the level system.
- 4. Office Referral resulting in an Alternate Instructional Day (AID), Out of School Suspension (OSS)

Following this explanation of the PBIS system, you will find descriptions of various discipline consequences and their effect on a student's PBIS level

All students begin at Level 4, where they enjoy all of the rights and privileges of students at South Davie. Students remain at Level 4 as long as they have fewer than 3 infraction slips during the course of any 5-day period and do not engage in any behavior that would have them assigned to the processing room, AID, or OSS/CDA.

Students who drop to Level 3 lose some team privileges and have some minimal school consequences. Level 3 is a warning to students that their behavior has not been as it should be, and hopefully, students will choose to correct their behaviors at this stage. After 5 days with fewer than 3 infraction slips and no other disciplinary actions that would cause a drop in level, students move back to Level 4.

If students drop from Level 3 to Level 2, the loss of privileges is significant. Many team, school, and extracurricular privileges are lost at Level 2. Students still are only 5 school days from moving back up a level. Moving further down to Level 1 results in the loss of all privileges in the team, at school, and in extracurricular activities. Students are still eligible to move up in the Levels with good behavior and performance. It is important to note that a minimum of nine (9) infraction slips in a short amount of time would be necessary to move a student from Level 4 to Level 1, and along the way, the teachers on a student's team will make parent contacts and contract with the student to bring the student's behavior back into line with what is acceptable.

With each 5 day period when the student does not accumulate 3 infraction slips or engage in any other behavior that would result in a loss of level, the student will move back up to the next level, so Level 4 is never more than 3 weeks away.

Students may try out for a sport even if they are at a level 1 or 2, however, this will count as their one level drop for the season.

The levels, their restrictions and consequences are summarized in the table below.

<sup>\*</sup>These consequences and restrictions are frequently reviewed and may change during the course of the school year. Level drops go into effect the day following AID or receiving a third infraction in five days. \*\*Students who drop down to a level 2 or 1 will not be allowed to dress or play for 1 event or game. As long as they continue to move up levels, they will be allowed to participate.

#### **Regulations and Consequences**

The following list of consequences for inappropriate student behavior is meant to define the most often used disciplinary consequences, but should not be considered the only consequences available for the faculty and administration. Other measures such as community service and loss of certain privileges are available for use at the administration's discretion.

#### **Working Lunch**

Students that fail to complete classwork or homework may be assigned a working lunch, in which students will sit at silent lunch tables to complete assignments for class. This serves as both a consequence for failing to complete work and an academic intervention.

#### **Processing Room**

The Processing Room will be used as a discipline alternative for students who display inappropriate behavior. This area removes disruptive students for up to a class period. Your child's teacher should contact you following a referral to the processing room. Students must follow all processing rules. A student sent to processing will receive a level drop.

#### Alternative Instructional Day (AID)

Students assigned to a full day of AID will report to the AID/Processing Room at the opening of the regular school day and remain there until the end of the day dismissal bell. Assignments from classes will be completed while there. **Students placed in AID are not to participate in extracurricular activities on that day** and will be dropped 1 PBIS level. State requirements dictate that all students be afforded a minimum of 30 minutes of physical activity during the school day. This requirement remains in effect when a student is in AID, so physical exercise is part of the instructional day of AID.

#### **Out-Of-School Suspension**

The purpose of out-of-school suspension is to separate disruptive students from the rest of the student body. OSS is used if the severity of the offense justifies the action. Any student suspended out-of-school is prohibited from being on campus during the time of suspension. In most circumstances, students may be allowed to serve out-of-school suspensions at Central Davie Academy, where they will be provided with academic work from their teachers and where they can be counted present for the instructional day. All students suspended out of school will drop to PBIS level 1.

#### **Dances, Performances, & Athletic Events**

Attendance at and participation in athletic events and school dances are based on students being at the appropriate PBIS discipline level. All school dances will be on designated Fridays and end at 5:00pm. Specific dates will be communicated at a later date.

Students should be picked up within 30 minutes of the ending of a dance, performance, or athletic event. Failure to do so will result in the student not being permitted to attend the next event. School rules apply during dance and athletic events.

For dances, students are required to submit permission slips to the office no later than noon Thursday. Any student leaving the dance early must be signed out by an authorized adult.

At the end of dance  $6^{th}$  / 7th-grade students are picked up in the front lot and 8th-grade students are picked up in the bus lot.

#### **School Bus Discipline Policy**

When transporting students to and from school, safety is the main goal. <u>Students must realize</u> riding a school bus is a privilege and it can be taken away from them. The rules are as follows:

#### **Major Infractions:**

- Fighting
- Use of tobacco or vaping products chewing, smoking or striking matches
- Vandalizing or tampering with the bus in any way
- Throwing objects on the bus or from the bus windows or doors.
- Extreme disrespect or disobedience to the driver
- Any misbehavior that is dangerous and threatens the safety and well-being of the passengers

#### Major Infractions may result in the following\*:

- \*1-10 day suspension from the bus. Repeated or significant behavior may result in a long term loss of privileges
- \*\*Extreme offenses will result in more serious consequences even for the first offense.
- \*\*\*If a student continues to misbehave, he/she may be suspended from the bus for the remainder of the school year.

#### **School Bus Rules**

When transporting students, safety is our main goal. Riding a school bus is a privilege and South Davie students are expected to follow all bus rules.

South Davie School Bus Rules	Students may not:
Remain seated properly at all times	Yell, verbally abuse anyone, or use profanity
Do not switch seats during the route	Throw paper or other objects on or out of the bus
Arrive on time at the scheduled bus stop	Horseplay, push, trip, pick at, or slap other students
Keep all body parts inside the bus at all times	Refuse to share your seat
Obey all requests of the driver	Ride another bus without an approved signed note
Avoid distracting the driver in any way	Get off the bus at a stop not assigned to you
No eating, drinking, or use of tobacco products	Have any distracting materials on the bus (ex: balloons,
	laser pointers, flashlights, etc)

<sup>\*</sup>Bus suspensions result in a level drop at the administrator's discretion

#### Electronics on the bus:

Cell phones/electronic devices <u>WITH</u> headphones or earbuds may be used as long as there is <u>NO</u> distraction to the bus driver or other students. No electronics/headphones should be used until a student is seated on the bus and the bus is in motion. If electronics become a distraction or cause of disruption, they will be collected by the bus driver and appropriate consequences will occur. Students may not make or take phone calls or videos on the bus due to disruption and distraction of the driver.

Students cannot ride another bus without a note from their parent/guardian and approval from the principal in charge of buses. At times some buses are filled to capacity, and only those students actually assigned to the bus will be permitted to ride. Bus notes must be turned into the office first thing in the morning.

<sup>1</sup>st offense: consequence may range from a warning to a 1 day suspension off of the bus

<sup>2&</sup>lt;sup>nd</sup> offense: consequence may range from 1-3 day suspension off of the bus

<sup>3&</sup>lt;sup>rd</sup> offense: consequence may range from a 3-5 day suspension off of the bus

<sup>4</sup>th offense: repeat behavior may result in suspension from the bus for the remainder of the school year

#### **Academic Information**

#### **Grading Scale:**

A = 90-100 B = 80-89 C = 70-79 D = 60-69 F = Below 60

#### 6-8 Grades

- 1. All available data from classroom, school-wide, and district-wide formative and summative instruments, along with EOG tests in Reading and Math, and in 8th grade Science, will be reviewed. In addition to actual performance levels on the instruments referred above, the amount and rate of student growth will be reviewed for consideration.
- 2. Student EOG scores in reading, math, and 8th-grade science will account for a percentage of the student's final grade in the related class. These percentages shall be:
  - a. 6th grade 10%
  - b. 7th grade 15%
  - c. 8th grade 20%

The results of EOGs will not factor into a student's final grade in a course in these cases

The attendance policy requirements, and the student's status in relation to those requirements should be reviewed.

#### **Progress Reports/Report Cards:**

Progress reports are one attempt from the school to keep parents aware of students' academic progress. They will be issued during the middle of each grading period (about 23 days into the 9 weeks). We ask that parents review these reports with students, sign the reports, and return them to school. If parents have questions about specific progress reports, they should feel free to contact the issuing teacher by phone or email to discuss the question or to arrange a conference.

Report cards will be issued at the end of each grading period, again as a way to keep parents aware of academic progress. We ask that parents review the report cards with students, sign them, and return them to school. The same avenues for seeking the answers to questions are open for parents who have questions about report cards.

#### **Honor Roll and Perfect Attendance:**

Special recognition will be awarded to students achieving all "A's" or all "A's" and "B's." Students that achieve perfect attendance for the nine weeks and the whole year will receive special recognition.

#### **Homework Make-up Policy:**

Upon returning from an absence, *students* must check with their teachers to make up any classwork, homework assignments and/or tests that were missed. All make-up work must be completed and submitted within five school days from the student's return date. The work would be due to the teacher at the beginning of class on the second day back. Students who anticipate being absent for two consecutive days or more may get their homework assignments in advance. A request should be made by phone prior to 9:00 a.m. Parents should explain which student the work should be sent home with or if they will be picking up the assignments themselves. Work may be picked up at the end of the school day in the office.

#### **Parent Portal**

Parents can view and monitor their student's grades via the Powerschool Parent Portal website. For login information, please contact the school data manager, Sandi Gosnell (gosnells@davie.k12.nc.us).

#### **Miscellaneous Information**

#### **Book Bags**

During the 2023-2024 school year, lockers will not be issued at South Davie. Students will need a type of book bag in which to keep their belongings. Please make sure the bag is sturdy enough to safely store and carry a Chromebook device as well as other school materials. Students, please be careful when placing book bags on the floor upon arrival to each class to prevent any damage to your Chromebook.

#### **Electronic Devices**

<u>Cell Phones:</u> The use of electronic devices is disruptive to education.

When students enter the building, cell phones must be:

- Turned off
- Placed in bookbag
- Not on their person (i.e., hoodie, back pocket, etc.)

If any devices are brought into school and used or seen in the school building during school hours or once students enter the building, they will be returned by an administrator to a parent or guardian only.\* These items are distracting to students and frequently become the targets of theft. The school's ability to recover stolen items such as these is very limited.

<u>Airpods/Earbuds</u>: Airpods and/or wireless & Bluetooth listening devices are NOT allowed to be worn during the school day. These can be connected to other devices and be a distraction to learning. Students may have headphones that plug directly into their Chromebook to be used when instructed by their teacher.

#### **Visitors & Lunch**

All visitors must first report to the office where they will be issued a visitor's pass after showing ID. All visitors must be listed on the student's Powerschool list. If a visitor is not listed, the office manager will contact the parent to gain permission.

#### **Safety Drills**

Monthly fire drills are required by law and are an important safety precaution. Lockdown, shelter-in-place and tornado drills will also be conducted throughout the year. Teachers will review these procedures with students at the beginning and throughout the year. Students should follow teacher instructions to complete all drills calmly and efficiently while minimizing disruption.

#### Medications

All non-prescribed & prescribed medications should be turned into the office. School personnel cannot dispense any medications to students (including aspirin, Tylenol, etc.) without written permission from a doctor. Contact the school nurse for further information.

#### **Food and Drinks**

South Davie must cooperate with the federal guidelines for cafeteria operation. All outside food and drink must be eaten in the cafeteria areas.
