Give the Gift of a Sacred Heart Education

Leave a Lasting Legacy as a Member of the Founders' Society

"Preach by example of your lives rather than by words. Example is the very best sermon."
— St. Rose Philippine Duchesne

In 1880, the leadership of St. Madeleine Sophie Barat and the pioneering spirit of St. Rose Philippine Duchesne touched Boston and its surrounding communities with the dedication of a new Sacred Heart School, the 20th to be opened in the United States. The inaugural class of eight girls would become the fortunate beneficiaries of Philippine's bold vision of bringing Sacred Heart education to the New World.

Today, Newton Country Day continues to prepare young women to lead lives of Courage and Confidence by enabling them to respond generously, competently, and responsibly to the demands of their lives and to the needs of others in their communities and across the globe.

The Founders' Society of Newton Country Day was established to acknowledge individuals who share Philippine's spirit and vision for the future. Members include those who remember the School in their estate plans by means of a bequest or planned gift. Such gifts will ensure that future generations of Newton Country Day students receive a transformative Sacred Heart education.

Your planned gift may be directed toward any of the School's priorities and initiatives and may also remain anonymous. Please let the School know of your intentions so that we may thank you and include you as a member of the Founders' Society!

For more information about the Founders Society, gift planning. and including Newton Country Day in your estate plans, please contact Carol Smith-Fachetti P '10 '17 in the Advancement Office at (617) 244-4900 or cfachetti@newtonSH.org, or visit www.newtoncountryday.org/give/planned-giving.
