

STUDENT DATA PROTECTION AND PRIVACY

LEARN's contracting practices comply with all laws and regulations pertaining to the protection and use of student records.

All contracts for software, web-based learning, mobile applications, cloud-based storage and services and other electronic methods that provide access to student information, student records, or student-generated content to the contractor, shall adhere to the legal privacy and contractual standards for the creation, ownership, use, or handling of such student data.

The Executive Director shall create administrative regulations regarding student data protection and privacy in accordance with this policy.
