

## **CORDLEY C.A.R.E. STORE, TICKETS, AND SCHOOL EVENTS**

### **C.A.R.E. TICKETS**

As part of the CI3T plan, students earn tickets by following the school-wide expectations such as respecting others, arriving to school on time, and following directions the first time. Tickets are then used to exchange for items in the C.A.R.E. store.

### **C.A.R.E. STORE**

At the C.A.R.E. store students have the opportunity to exchange their tickets for preferred items and activities. Students can purchase items at the store on a weekly basis.

### **C.A.R.E. EVENTS**

In addition to the C.A.R.E. store, students can earn the opportunity to attend school-wide celebrations. These celebrations will be determined during the school year and will be posted in the Cordley Newsletter and on the Cordley website.

## **HOW CAN I SUPPORT MY CHILD AND CORDLEY'S CI3T PLAN?**

You can help your child and support the CI3T Plan by talking to your child about the Cordley C.A.R.E. expectations and the importance of modeling these expectations in school. You may also help the school by volunteering at our Cordley C.A.R.E. store. Please contact the Cordley office for more information on how to volunteer. We thank you for your interest and support!

**CI3T Purpose Statement:**  
Our mission is to implement school-wide common expectations in the areas of academics, behavior, and social skills.

## WHAT IS A CI3T PLAN?

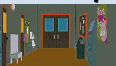

CI3T is a school-wide program developed to encourage successful behaviors academically, personally, and socially. Each and every student participates just by virtue of being at Cordley. The goal of this school-wide plan is to equip students with the most beneficial academic, behavioral, and social skills that will support success at school and in life. This plan is also designed to create a more positive school environment.

The CI3T plan is a three-tiered plan, with the expectation that most of our student's needs will be met by the school-wide program. If the primary plan is not sufficient to meet some student's needs, additional levels of support are planned. For example, some students may benefit from small group instruction whereas others may benefit most from one-on-one support. We aim to foster a positive learning environment for all students at Cordley and support every student for academic, behavioral, and social success.

We encourage you to talk with your student about the C.A.R.E. matrix and how the plan is working for them.
