Student Binders: 6th Graders will receive a 2 inch 3-ring binder at the beginning of the year as well. 7th and 8th graders will need to purchase a 1.5 or 2 inch binder of their choosing to hold their class work. As part of AVID schoolwide, each student will house all hard-copy work in a single binder system. Students will receive instruction and support in August with this organizational system.

Student Planner: All SWMS students will be given a student planner. Part of the Student Handbook will be included in the planner, as well as information for students and parents / guardians of the procedures and policies at Southwest Middle School. A full version of the Student Handbook will be available on our school website. www.usd497.org/southwest. We urge parents to go over this information with their students.

Support: Households in need of support for school supplies may contact swms.office@usd497.org or the main office.
