

OBJECTIVES & Initiatives

Over the next five years, PPS will improve the quality and relevance of academic experiences through four objectives and initiatives.

THEME A Improve quality and relevance of academic experiences

1. Expand relatable and culturally relevant instruction and curriculum

1a. Develop curricula for all disciplines, incorporating instructional frameworks, assessments, and unit maps aligned with culturally relevant best practices.

(YEAR 1)

2. Elevate student-centered options and opportunities

2a. Create a system to elevate student voice and student-centered pathways.

(YEAR 2)

3. Enhance and integrate preparation for future pathways

3a. Strengthen and expand college and career pathway opportunities through expanded partnerships with local businesses, colleges and universities, and community.

(YEAR 1)

4. Deepen staff capacity to support successful learning experiences for all students

4a. Design diverse, dynamic, high-quality learning opportunities aligned with adult learning principles.
