

## OBJECTIVES & Initiatives

*Over the next five years, PPS will prioritize community outreach and access through two objectives and three initiatives.*

## THEME D Prioritize community outreach and access

### 1. Strengthen aligned partnerships that expand access to community resources

**1a.** Implement Community Hubs by fostering collaborative partnerships with external stakeholders to provide immediate and accessible services to students and families beyond the traditional school setting.

**(YEAR 2)**

**1b.** Define expectations for district- and school-level partnerships, including ways organizations can partner with Pittsburgh Public Schools and a clear process for aligning with the District's work.

**(YEAR 2)**

### 2. Strengthen systems for families to productively engage with their schools and support their students

**2a.** Establish a Community Ambassador Network of empowered individuals within each school community to serve as liaisons between the District, schools, families, and the broader community.

**(YEAR 2)**
