Recognitions, Celebrations and Presentations

School Board Recognition Week is October 14-18, 2024 and since there is no board meeting that week, it was decided the Board members would be recognized at this meeting. Dr. Reed thanked the Board of Education members for all the work they do for the district. Each member was presented with a certificate and gifts.

Seneca Falls Education Foundation

Gerald Macaluso, Robert McKeveny, Ted Novak, and Theresa Clark

Robert McKeveny briefed the Board of how the Seneca Falls Education Foundation came to be.

- The foundation has been existence for seven (7) years
- Current members of the Board of Directors are Theresa Clark, Heather Higby, Jerry Macaluso Bob McKeveny, Craig Meyers, Joell Murney-Karsten, Ted Novak, Mike Wurster and Zac Young
- The district is within a very generous community. There are some scholarships that were started 60, 70, 80 years ago.
- The district at one time held a large amount of money that could not be touched (due to restriction put in place by donors).
- The concept of a foundation came to be so that the money that the district held could be used to recognize and help more students. There is more money given out per student in scholarships than any other district in our area.

- The district worked with attorneys for two years. The attorneys in turn worked with families that were still living. And then eventually the district went to court to release the funds to the foundation with one goal –to generate more money for students.

Gerald Macaluso explained a New Award/Scholarship Process

- Is it a one-time award, yearly award, four-year award, other?
- Will the award be recognized by the foundation as a will/bequeath or stand-alone?
 - Wills-money left by donors with specifics. Most state do not touch the principal-use only the interest for award.
 - Stand-Alone Account- donors, mostly living, would like to keep the account by itself.
 - Merged Account-When the district went to court, the court merged a number of funds into one account. The awards were kept by name, but the funds were merged. There is a system to determine how much interest is gained for each award.
- The foundation encourages stand-alone accounts.
- Will the funds be provided up front or provided annually or on an as-need basis?
- The Seneca Falls Central School District board of Education approves the establishment of all scholarships given out to students.
- Supported and funded by the SF Education Foundation

Ted Novak reviewed the Matrix used to track the funds.

- The initial investment in 2018 was \$750,918.89.
- Today the investments total \$875,360.44

Meeting Requirements & Supporting Initiatives, Clubs, and Teams

- Annual Fundraising requirement
- Financial Review is done by V. Sinicropi and the Bonadio Group
- Pass Through Funds to Clubs & Teams
- Successful grant proposal to support Science of Reading initiative
- Funds provided to support students

The Seneca Falls Education Foundation will spend the 2024 - 2025 year to identify amount of funds available to support initiatives. The Foundation will also develop guidelines to govern distribution of funds for projects, initiatives, etc.

SFSSA Report
James Marley

Jim Marley, SF Support Staff Association President, reported the following:

- Membership is around 76 members. Once the new law was passed that not everyone had to join the union, numbers dropped. Actively trying to recruit members.
- The association had lost their tax exempt status about 7 years ago due to the m not filing with the IRS. He has worked to get it back with no penalties or fines backdated seven years ago.
- The SFSSA and the SFEA provided a lunch on the first day back for faculty and staff. Food was provided by Dana Colvin's food truck: The HotBox. About 230 staff members were served.
- Jim stated that he is trying to do more within the community. The association held a tailgating party before one of the MA football games. Roughly 15-20 people showed up-was hoping for a larger turnout.
- Jim was wearing the new shirt the association bought for members. "You are not alone" is on the back of the shirt.
- The association will be participating in a food drive along with Waterloo CSD support staff union. A little competition to see you brings in more goods.

Committee Reports
Audit Committee

Cara Lajewski reported on the following:

- The committee met on Oct. 8, 2024 to review the external audit.
- There is \$690,000.00 in interest on Reserve accounts, which is a shift from previous years. It can be attributed to good planning.
- There was an increase in the STAR refund due to the reassessments done.
- There was an increase in educational spending due to grant funding.
- The committee reviewed the management letter. There was on "ding" regarding an internal control for a cafeteria purchase. There should have been a public bid instead of individual bids.

Anthony Ferrara reported on the following:

- The committee had met that morning, October 10, 2024 with Hunt Contractors and Campus Construction Management Group.
- District’s application was submitted in May 2024.
- NYSED approval will probably be pushed back late April-early May 2025
- The variance regarding a fire wall between existing wall and new wall.
- The project cannot be done in two summers. Hunt and Campus believe the District is still in a “good window” to complete the project.
