THE INSTRUMENTAL MUSIC BOOSTER CLUB

The Instrumental Music Booster Club was organized in July, 1956. Its purpose is "to arouse and maintain an enthusiastic interest in the various phases of instrumental music in the West York Area Schools". Membership is open to anyone interested in the progress and development of instrumental music in the West York Area Schools.

The officers and members of the Club wish to thank the residents of the community for their continued support of the group's activities. Community support of the Club's fund raising activities provides the financial means for awards, Albert Kelly summer music scholarships, Middle School summer music camp scholarships, summer band training camp, annual elementary and secondary instrumental parties, and band tours. Funds for this year's projects have been raised by sub and sandwich sales, a citrus fruit sale, refreshment stand (at all home varsity football games), coupon book sale, and our annual Spring Concert Souvenir Program.

While the majority of these projects are directly related to the activities of the marching and symphonic bands, the club does support ALL instrumental music programs in the West York Area School District.

Our thanks once again to the residents of our area for being a BOOSTER.
We hope we will have your continued SUPPORT!

ABOUT THE BAND

The West York Area High School Band begins each year with a week of intensive music and marching rehearsals during their annual "Band Camp" which was held this August at the high school.

During the fall of 2020, the band performed at home football games. We also performed at the homecoming reverse parade. Often featured is the band front coached by Ms Emma Rikas.

The Symphonic Band is offered as an elective curricular subject meeting multiple times per week for full academic credit, and normally performs 3 major concerts each year. In addition, many students participate in solo work and small ensembles meeting after school and evenings. The most active and popular ensemble is the Jazz Ensemble which performs normally approximately 6 times throughout the school year.

In addition to concerts presented in the York area, the band also travels occasionally and has performed throughout Pennsylvania and many other states and Canada. Ensembles have performed at clinics and/or concerts at many Pennsylvania colleges, the PMEA State Convention, on television, the State Capitol in Harrisburg, and for numerous civic and church organizations in the area. Highlighting the band's past activities are performances in Mexico City (1972), Disney World (1974 & 1979), Nashville, Tennessee (1983), Toronto, Canada (1982, 1990 & 1996), Boston, Massachusetts (1984 & 1988), and Bermuda (1992). The band has also performed at the Mid-East Band Clinic in Pittsburgh, the Eastern Band Conductors Conference and has twice been selected to perform for the Pennsylvania Music Educators Association State Conference (1982 & 1989). In 1998, the band traveled to Toronto, Canada and participated in the Toronto "Festivals of Music" where they were awarded the "William D. Revelli Outstanding Concert Band" award for the most outstanding band in the festival. In 2000, the band traveled to the Cedar Point Music Festival in Ohio where they earned a superior rating. In 2003, the band toured Orlando, Sarasota, Naples, and Miami, Florida. The band took a concert tour to Virginia Beach in the spring of 2007.

He is a member of the adjunct faculty of York College where he teaches applied percussion. Mr. Meckley has also taught private percussion lessons.

THE YEAR IN REVIEW

A year like no other! The 2020-21 school year shook up the Bulldog Band: changing traditions, challenging members, and forming a foundation unlike no other. When we all left school, a year younger, on March 13, 2020, no one knew what the future would hold. Questions circulated first about marching band: how would the season look? The fate of band camp was questioned, and then foretold. No Camp Ramblewood. With the pandemic in mind, the decision to not attend Camp Ramblewood made sense. We all (except Freshman) know and love Camp Ramblewood. It will forever hold a special place in all of our hearts. The home grown Bulldog experience was brand new for everyone involved. We all stepped up, adapted, and took it on as a new challenge.

As band camp evolved into the season, we all evolved with protocol. Keeping a 6 foot distance, having masks at a close reach, and wearing our band shirts we all knew this would be a year to remember. Jackie rocked the drum major stand and we made the best of our at-home season. The band had an incredible season taking over the Duck Pond area and making it our own.

Marching season ebbed and flowed as the band transitioned into a concert band. New members joined our team, and with our theme, we as a band continued to evolve. Jazz started up shortly after, practicing, for another unanswered question all band members were wondering: will we have a concert? By March we had a date in the gym. All talent was showcased, and honestly, it was a beautiful concert.

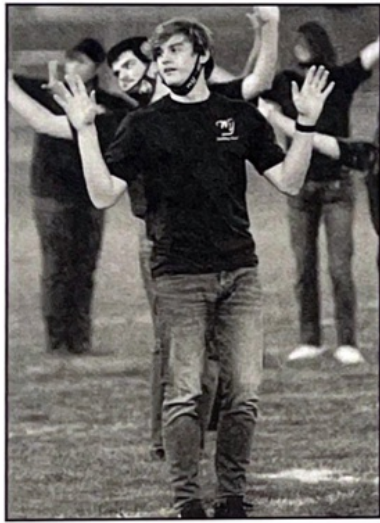

With marching band and concert band finished, only jazz band remains in the works. As we finish up this one-of-a-kind year, we can all look back at this time as what it was: different. We adapted, we evolved, and most importantly, we thrived.

To the seniors leaving, we truly had a special band experience our four years. To the freshman, I hope your experience this year was truly magical (you have many more to come)...and to everyone else in between: enjoy where you are. I would like to thank Mr. Meckley for being a true hero this past year (not that you weren't before), our band staff for always supporting us, the band boosters for their continuous reliable support, and finally, all of our band parents for bringing us through these crazy times.

Band, we made some music this year. Pick up that horn and practice (I know you don't as much as you say you do).

Your Band President,
Chloe Hoover
