

Buildings & Grounds Committee – October 8, 2024

The Buildings and Grounds Committee met October 8, 2024. The committee met with Tetra Tech, the Districts architect and engineering firm as well Barone Construction, the construction manager for the project to receive an update on the work completed over the past two (2) summers as part of the Capital Project. In addition, the committee reviewed work that is scheduled to be completed during the summer of 2025. The next meeting will be scheduled for November to discuss the bid for the water system at Plattekill Elementary school in addition to other items.
