Technology Committee – October 7, 2024

The Technology Committee met on October 7, 2024. Mr. Hein provided the committee updates on the migration of our student management system, SchoolTool, to a cloud-based server, the new ticket system for building and grounds, which is going live in November and Critical Security controls that the District has in place for email and web browser protections. He also shared sample tabletop exercises regarding cybersecurity from a workshop he attended in May. Lastly, he shared the updates about the new platform for the district's website. The next committee meeting will be held at 3:30 p.m. on November 4, 2024, in high school room 102.
