BUILDING HOURS

The building is open to students from 7:30 AM until 4:00 PM. Only those involved in school activities and under the supervision of school personnel may be in school prior to 7:30 AM or after 4:00 PM. Students are subject to school rules at all times, and **any student caught in an unsupervised area is subject to disciplinary consequences.**

EARLY ARRIVALS

The entire building is closed to students prior to 7:30 AM. The Media Center is open to students at 8:05 AM with an appropriate pass. Students who drive, ride the bus, or are dropped off by parents must enter the building immediately and report to the proper location. Loitering outside is not allowed.

EARLY DISMISSAL

Students should attend all classes unless excused by an administrator. Students may not leave school grounds unless dismissed with a parent, or with written permission. Notes written by parents must contain a phone number for the purpose of verification. All students must sign out in the attendance office before leaving. **Requests for an early dismissal must be approved by school authorities before the first bell in the morning.** Leaving school for personal business is discouraged. Students who sign out must exit the building immediately through the main doors only. Those who have more than three early dismissals from the same class during a marking period must have parents contact an administrator before the fourth and subsequent dismissals are approved.

STUDENT SIGN OUT

In effort to maintain a safe and efficient front office, students may not be checked out of school after 3:00 PM.

CHANGE OF ADDRESS

Any change of address or phone number during the school year must be reported to the attendance office to ensure that proper communication may be maintained with the home.

COMMUNICATION BETWEEN PARENTS AND FACULTY AND STAFF MEMBERS

Faculty and staff members will communicate with parents during the school year as the need arises. Contacts will be made in the form of phone calls, letters or conferences to notify parents of achievements, improvement, or possible areas of concern. Progress or interim reports, and report cards are important ways of providing timely and meaningful information that represent a school-wide effort to work together cooperatively. Parents have access to grades through the Parent Portal of the student information system. Log in requires a password which is available through the guidance department. Upon presenting a picture ID, parents will be given a password and directions for navigating through the Parent Portal. Information can be found on the school website and each teacher maintains a Canvas page.

COURSES

Without exception, students are required to remain in school four blocks unless enrolled in an early release program. No schedule changes will be made after school begins except those to accommodate failures, or administrative errors or concerns.

FIRE DRILLS & EMERGENCY PROCEDURES

Fire and emergency drills are held at intervals throughout the school year. A loud, steady, beeping tone identifies the fire alarm. Upon its activation, the following regulations are in effect:

1. Everyone must evacuate the building immediately.
2. Students are to walk in an orderly fashion without crowding or yelling.
3. Students in restrooms are to join the nearest line of exiting students.
4. Students are to exit the building in double lines.
5. Students are to stay with their class as they exit and enter the building.
6. Students are to remain outside the building until the all-clear bell rings or until they receive word from their teacher for them to return to their respective classrooms.

Periodically, tornado and lockdown drills will be conducted. Specific instructions and guidelines will be given to students by their classroom teachers prior to the actual drills.

A reminder to all students: Tampering with the Fire Alarm System is considered a criminal offense. Offenders will be punished accordingly.

SCHOOL COUNSELING DEPARTMENT

There are four qualified counselors assigned to Magna Vista High School. Students are encouraged to schedule periodic times to meet with their school counselor to map out graduation plans, to discuss post-secondary plans, or to simply hold individual conferences as deemed necessary by a student, parent, teacher or administrator. Additional services are provided by a Career Coach from Patrick Henry Community College and the University of Virginia College Guide.

INSURANCE

Student insurance can be purchased at a reasonable cost. Some vocational classes require students to show proof of insurance coverage. For those participating in sports or vocational activities school insurance is an affordable option.

MEDIA CENTER PROCEDURES

The media center is for the use of all students and faculty of Magna Vista High School. It provides an environment for individual study, small groups, and classes. Use of the facility is greatly encouraged. The hours are from 8:05 AM until 4:00 PM each school day. All materials in the media center must be properly signed out. Media Center check-out are; 21 days for books or overnight for reference materials and magazines.

Faculty members may issue e-hall passes for students to go to the media center. Time will be recorded on e-hall Pass indicating dismissal time and time of admittance to the library. The use of the media center is a privilege, which can be taken away if abused. The media center staff insists that students conduct themselves in a quiet and orderly manner while in the media center. No food or drink is allowed in the media center at any time.

LOST AND FOUND

Articles found by students should be delivered to the main office. Students should report the loss of all articles to their teachers at the time the loss is discovered so that an attempt may be made to locate the items. If the articles are not located, the loss should be reported to an administrator. Articles found and not claimed will be donated to charity.

MEDICAL EMERGENCY

Student medical emergencies should be reported immediately to the school nurse who will determine course of action. Accidents or injuries that occur while students are enroute to school should be reported as quickly as possible. Students who become ill during class should be sent to the nurses' office with permission from the classroom teacher. School officials will notify parents and/or rescue squad as the situation demands. First aid supplies are available for minor injuries. There are no provisions for students to lie down or receive medical attention at school.

RECORDING GRADES FOR REPEATED COURSES

If a student repeats a previously failed course, the failing grade remains on the record, and the grade earned in the repeat course is added to the record. If a student repeats a course in which a passing grade has previously been received, the higher of the two grades will be recorded on the record.

SCHOOL NUTRITION PROGRAMS

The Henry County Schools' Nutrition Programs participate in the federally funded School Breakfast Program (SBP) and National School Lunch Program (NSLP), providing nutritionally balanced, low-cost or free breakfasts and lunches to students each school day. Our programs meet federal nutrition standards, which have been modified to reflect the Institute of Medicine recommendations that were adopted for the Healthy, Hunger-Free Kids Act.

A universal free breakfast program, called "Fast Break for Success" is offered in all Henry County schools. The School Breakfast Program (SBP) offers a wide variety of healthy foods, and meets the new requirements for School Year 2015. Research has shown that students who eat a healthy breakfast do better in school. They also take in more vitamins and minerals, eat less fat and cholesterol, have less chance of becoming overweight and tend to have better overall health. Breakfast is offered every day school is in session with the exception of days when opening is delayed by two (2) hours. Breakfast is served if there is a one (1) hour delay.

Studies have shown that students who participate in the National School Lunch Program (NSLP) have higher average intakes of essential nutrients, consume meals that are lower in fat and added sugars and contain more variety of food choices than meals brought from home. High school students have more meal lines and options available than middle school. A la carte options have also increased in variety over middle school. The NSLP eligible meal is free to all students in Henry County Schools under the Community Eligibility Program, regardless of financial status.

Students are not permitted to leave school grounds during lunch periods. Parents should not deliver lunch to students at school. All students are required to be in the cafeteria during their assigned lunch block. Students are to report to the cafeteria immediately when the correct bell rings. Restrooms closest to the cafeteria should be used. Lingering in the hallways will not be allowed because the excess noise disrupts instruction. Students are to assist with keeping the dining rooms neat at all times. Trays and paper products are to be deposited at the clean-up counter.

All breakfast and lunch meals are free to HCPS students under the Community Eligibility Program. There is no paperwork or application process needed. Menus are available on the Henry County Schools' website along with nutritional analysis for each menu item.

Meal Pricing for 2024-2025:

Student breakfast – free, regardless of financial status	Adult breakfast - \$3.15
Student lunch - free	Adult lunch - \$5.00
	Extra Milk - \$0.45

Parents are provided with several options to make advance payments for their child's (extra) meals:

- **SchoolCafe** – access anytime to make payments online is available with this service. Go to <https://www.schoolcafe.com/HENRYCPS> and enroll your student(s) by following the instructions provided. You will need your student's full Henry County School ID number. All fees associated with the use of this site are paid by Henry County School Nutrition. Methods of payment: Visa, MasterCard, Bank Debit Card. Money can be put on an account to be used by your student to purchase extra menu items or a la carte items.
- **Advance Payment** – make one payment for a week or more of meals by cash or check. Please write your student's name in the "memo" line of any checks.

***Please Note** – SchoolCafe can be used to track your student's cafeteria account balance/purchase history even if you use another method of advance payment. Set up an account for your student as specified above.

Advantages to making advance payments through the school or SchoolCafe:

- Eliminates remembering snack money every day.
- Teaches your student the importance of managing an account and its balance.
- Removes temptation to spend snack money elsewhere.
- Removes sanitary concerns of handling money immediately prior to eating.

STUDENT COUNCIL ASSOCIATION

The Student Council Association allows students to assume responsibilities related to the governance of the high school. It creates a forum in which problems or questions arising from either the students or the administration can be presented for discussion and consideration.

The Student Council Association's purposes are as follows:

1. To unify student activities and promote and help execute the activities of the school
2. To aid in the internal administration of the school
3. To allow students to participate in the democratic process.

Representative elections are held in the fall.

TELEPHONE

Parents and students should make necessary arrangements for rides, appointments, etc., before the student leaves home. Phone messages from parents or guardians will be taken for students only in cases of extreme emergencies as deemed by the office. If a student tells a teacher that he or she is ill, the teacher should send the student to the nurse for evaluation, not to the office to make a telephone call.

TEXTBOOKS

Textbooks and workbooks are issued without cost to the student for use during the school year. These books are to be kept clean and handled carefully. If a book is damaged or lost, the student will be required to make restitution.

VISITORS

All visitors must report directly to the main office, sign in and secure a visitor's pass. The visitor's pass must be worn at all times. Students should not bring friends, siblings, relatives, etc., as visitors to school.

VOLUNTEERS

Volunteers are needed and welcomed at Magna Vista. Periodically throughout the year Volunteer Information sessions are held. Anyone interested in volunteering should contact the school for information on background checks and procedures and guidelines as outlined by Henry County Public Schools.

STUDENT CONDUCT

MAGNA VISTA CODE OF CONDUCT

In order to have an atmosphere conducive to learning and to ensure the safety of all students, a certain general standard of behavior is required. Refer to [Henry County Schools' Student Code of Conduct](#) for specific rules and regulations governing behavior.

CONSEQUENCES FOR RULE VIOLATIONS

Failure to comply with the regulations and codes will result in school disciplinary action including, but not limited to, parental conferences, internal suspension, probation, external suspension or expulsion.

ASSEMBLIES

At all times, student behavior should be refined and courteous. An indication of the cultural level of the school is the conduct of its student body at an assembly. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct would include whistling, inappropriate clapping, boisterousness, and talking during a program. Students are to report promptly to the auditorium or gymnasium for all assembly programs. They are to sit in their assigned seats unless the assembly is one in which an admission price has been charged. **Misbehavior will not be tolerated, and the offending student(s) will be removed from the auditorium or gymnasium and not allowed to attend future assemblies.**

ATTENDANCE POLICY

Students are expected to arrive at school and all classes on time every day. It is the legal responsibility of parents or guardians to ensure that students are in regular daily attendance for the entire school day. Parents or guardians are encouraged to contact the school if their child is going to be absent from school. When a student is going to be absent for extended periods of illness, a parent or guardian must seek homebound instruction for a child.

A student who is absent from school for an entire day, or for one or more class periods, must bring a note written and signed by a parent or guardian upon returning to school. **The note shall contain the reason(s) for and the date(s) of the absence(s).** The principal will be the judge of the validity of any excuses. Students are considered present when participating in field trips and other functions sanctioned by the school. **Middle and high school students who are not physically present for at least fifty percent (50%) of a class period will be deemed absent and must provide an excuse for the absence.**

When a student in grades 9-12 accumulates the equivalent of ten (10) absences not attributable to a death in the immediate family, a subpoenaed court appearance, a verified chronic medical condition, school sponsored activities, or pre-arranged absences with the principal or designee, the principal or designee shall convene the attendance review panel. The student may not be eligible for credit or promotion if the equivalent of ten unexcused (10) absences accumulate. In addition to Policy JED, Henry County Public Schools expectation for secondary students is that cumulative individual class absences in excess of five (5) days every ninety (90) days of instruction / semester shall also result in loss of credit. An appeal may be made in writing to the building principal if the absences in excess of two days were for extenuating circumstances.

Responsibility for make-up work lies with the student. **Arrangements for make-up work must be completed within three (3) days after returning to school. Students who skip a class may be required to makeup work; however,**

the student may not receive full credit for the completion of such work. This will not apply to assignments such as unit tests, term papers, or other long-term projects which extend beyond the day(s) the student skipped class.

Students are expected to attend all assigned classes every day. Students are not to leave the building without permission. Students who leave the school grounds during the school day before their usual dismissal time must first have parental permission and approval from the administration. Students who are ill or injured must report to the office before leaving the building unless the nature of the illness or injury prohibits this.

Complete attendance guidelines can be found in the *Henry County Code of Conduct*.

TARDY POLICY

Promptness to school and class is very important. Students are expected to be in their seats and ready for class when the tardy bell sounds. Chronic tardiness is detrimental to both the student coming to school or to class late, and to the remainder of the class which is interrupted by late arrivals. Tardiness is not acceptable behavior and the following consequences will be used by the administration:

Third Tardy - Warning from teacher and parent contact

Fourth Tardy - Referral to administration for disciplinary action

Repeat offense consequences will be determined by an administrator and may require a suspension until a parent conference with an administrator. Student drivers who violate this policy are in danger of losing their campus driving privileges.

BUS REGULATIONS

Students who come to school on the bus should return home on the same bus unless they have a note from a parent signed by the principal. Riding the school bus is a privilege. Improper conduct will result in that privilege being denied. Only regularly scheduled students are to ride the school buses. Riders should report immediately to the buses in the afternoon. A note to ride a different bus must be presented to the attendance secretary prior to the start of the first block and must include a telephone number where a parent can be reached to verify accuracy.

CHEATING

Cheating includes the actual giving or receiving of any unauthorized aid or assistance or the actual giving or receiving of unfair advantage on any form of academic work.

MISREPRESENTATION

Misrepresentation is the altering or forging of any school record, official document, note, and/or signature.

PLAGIARISM

Plagiarism includes the copying of the language, structure, idea and/or thought of another and representing it as one's own original work. Unauthorized use of technology and information gained through its use without permission is prohibited, as specified in computer guidelines. Student files may be subject to search.

DRUGS AND ALCOHOL

The possession, use, or sale of alcohol or controlled drugs on the grounds of MVHS either during school hours or at after-school functions will result in the maximum punishment allowed by the Henry County School Board. Henry County law enforcement officials will be contacted in all drug-related offenses. A student's appearance at school or school functions under the influence of controlled or illegal substances will result in similar application of this regulation.

TOBACCO/SMOKING POLICY

In conjunction with the Virginia State Law 15.1-291.2 and the Henry County School Board Smoking Policy, Magna Vista High School prohibits the use (lighting, chewing, inhaling, or smoking) or possession of any tobacco products (e-cigarettes and vapor products) on campus or in association with any extra-curricular or instructional day activity. **Any offense will automatically result in three days or more of out of school suspension.** Referrals may be made to the Henry County Sheriff's Department where charges may be filed. Counseling at local agencies may also be encouraged.

CORRIDOR CONDUCT

1. Congregating or "hanging out" in corridors between classes is not allowed. It prevents the smooth flow of traffic. Everyone must have easy access to and from class. To avoid tardiness, students should proceed directly to their next class.
2. Food and drinks with the exception of water are not allowed in corridors or in classrooms during school hours. Water must be in clear containers.
3. Students in corridors during class blocks must have a proper pass issued by a teacher or staff member. The recognized pass is an e-Hall pass in addition to the classroom hall pass.

4. Loud or boisterous behavior, running, or other forms of distracting or inconsiderate behavior in the corridors will result in disciplinary action.
5. Intersections and hallways are not to be blocked at any time.

DANCES, SOCIAL FUNCTIONS, AND ATHLETIC EVENTS

There is one annual school sponsored dance (Prom). Students in middle school, junior high school, and anyone 21 years of age or older are not allowed to attend. Guests must be in good standing if invited from another school. Students are not allowed to attend the prom if fees are owed. No one will be permitted to leave an event and re-enter the same event. Students are under school jurisdiction at all extra-curricular activities, including those at other schools. Students under suspension are not allowed to attend after-school activities of any type. In addition, the student may forfeit the right to attend other school functions if the student code of conduct is violated.

HENRY COUNTY PUBLIC SCHOOL DRESS STANDARD FOR HIGH SCHOOL STUDENTS

It is the desire of Henry County Public Schools to establish a learning environment free from unnecessary risks and distractions where all students are able to achieve at their highest potential. The personal appearance of every student is an important component of establishing an environment for optimal learning and respect for one another. Students are expected to adhere to standards of dress and appearance that are compatible with an effective learning environment. In support of these expectations, the following dress standard will be enforced:

- All shirts/tops must at least cover the student's navel. Tank tops should not reveal undergarments or inappropriate body parts.
- Shirts and dresses should not expose inappropriate body parts, including cleavage.

NOTIFICATIONS

AHERA NOTIFICATION CONCERNING ASBESTOS MATERIALS IN SCHOOL BUILDINGS

All Henry County Schools have been inspected for the presence of asbestos containing materials. The results of these inspections have been compiled into a management plan for each school. These management plans are available in the main office of each school for inspection. Any individual who wishes may review these plans. Each six months, a specified maintenance technician inspects the building and assesses any building materials still containing asbestos. The technician verifies that the materials have not been damaged, deteriorated, or become friable by any other means causing a hazard to the occupants of the building. Should any situation be detected, it would be dealt with quickly by a trained and licensed abatement professional. Additionally, each three years, an independent contractor, who is trained and licensed in asbestos inspections and abatement, is employed to inspect each school to ensure the asbestos containment and that the removal plans are being followed. Also, this contractor reports any building materials containing asbestos that might become a hazard.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write to the School principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Schools disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U. S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

**Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue, SW

However, Henry County may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. In addition, two federal laws allow local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings - when parents or eligible students have provided consent to the LEA for the disclosure of directory information. Parents and eligible students have a right to refuse to designate any or all information about the student as directory information and may exercise this right within the first twenty days of the school year.

If you would like to provide consent for Henry County Schools to disclose directory information from your child's education records to military recruiters and both private and public institutions of higher education, you must notify the District in writing.
