

# Welcome to the AP Exam Informational Meeting 2024-2025

**CollegeBoard**

Advanced Placement  
Program

# Good to Know...

- AP exams are administered in May; however, AP Exams are ordered in the fall.
- AP Classroom: Students will get personalized feedback through digital tools that provide daily support for every AP classroom. Their teachers will be able to track their performance throughout the year using an online bank of real AP practice questions and monthly personal progress checks.

# Student Steps

- ▶ “Join” your AP class
- ▶ By joining a class, you gain access to the free resources and can provide information needed to register for AP exams. AP Exams CAN NOT be ordered until a student joins their AP class for that exam.
- ▶ Visit [myap.collegeboard.org](https://myap.collegeboard.org) and sign in with your College Board student account login
- ▶ Enter the join code your teacher gave you and confirm your enrollment
- ▶ What should a student do if they have multiple College Board accounts or trouble logging into their account?

Contact AP Services for Students at **888-225-5427** or **[apstudents@info.collegeboard.org](mailto:apstudents@info.collegeboard.org)**.

Students may have more than one account for a number of reasons, and Customer Support is equipped to diagnose issues and reconcile accounts.
