

To comply with State and Federal Regulations as well as the District's Wellness Policy, all classroom snacks provided to students must meet nutritional standards. When planning a classroom celebration such as a birthday party, holiday celebration, end-of-year party, or snacks during testing, consider the convenience of ordering directly from Child Nutrition.

Orders must be placed no later than **10** school days before the planned event to allow time to fill orders.

Complete the order form indicating the quantity needed per item. Please include payment by check made to MUSD with the completed order form to your school site office or the District office. If you have any questions, contact Child Nutrition at the District Office at 805-378-6300 ext. #1421 or kcarrillo@mrpk.org.
