Explanations

The federal Family Educational Rights and Privacy Act (FERPA) allows school districts to define “directory information”, and then release only that information **unless** you request that information **not** be released.

If you write “NO” for an item on the other side of this page, we cannot and will not share the information you specified. When we are asked for “directory information” about a student, we share only the information needed for that purpose. We usually only share the student’s name, age or grade and school.

1. INFORMATION USED IN DISTRICT PUBLICATIONS, ONLINE AND BY OUTSIDE MEDIA

Directory information is: student’s name, grade level, dates of enrollment, degrees and awards received, participation in officially recognized activities and sports, weight and height of members of athletic teams, schools attended in the district; school work, and photographs per CSD Policy 3225.

We share good news about student achievement and honors. This includes showing student work in print and online. It can mean displaying student work in a public place, and sharing student achievement information with news outlets. We never knowingly release information about a student to anyone who wants to use it for commercial reasons. We only share student addresses or phone numbers when such request come from the military or institutions of higher learning (as explained below).

2. INFORMATION FOR MILITARY AND COLLEGES (applies to high school students only)

The military and institutions of higher learning request high school students’ directory information and, by federal law, we must also provide the student’s address and phone number. We provide that information on or about October 15 each year to these groups. If you write “NO” in Section 2 on the other side of this page, and if we receive your form by October 1, we will not release your student’s directory information. If your student’s form is returned **after** October 1, be aware that we may have already released your student’s information per CSD Policy 3225.
