Apart from the initial transition placement needed to be assigned to a current existing New Step, to count as a year of service, 75% of each work year must be served. All increments, outside of the initial transition placement (as needed), begin on July 1, 2023 and July 1 thereafter.

Master's Degree stipend of \$1,734 -**OR**- Doctorate Degree stipend of \$3,468; only one stipend will be credited.

DMA employees completing 75% or more of the year in their position will move to the next step on July 1 of each year, and pending verification of each year of service.

Transition placement for any staff at "Year" 5 or higher (unless otherwise noted as "the same") will be to the next highest cell - e.g. a current year 17 cell placement could change to a New Step 3 for the remainder of 22-23. Staff currently at step 5 remain at step 5.

These changes are in lieu of continuing or needing any longevity pay, and step placement will occur yearly beginning on July 1, 2023.

Existing staff will not be re-evaluated for different cell placement based on the above new step schedule.

Board Approved August 28, 2024
