S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

REVENUE ASSUMPTIONS:

Revenue assumptions are based on the most recent available information from State, and School Services of California. The district is experiencing an enrollment and attendance decrease. As the result, the revenue decreases in 2023-24. Addition to this, there is no one-time funding. The revenue decreases by 29.3%.

EXPENDITURE ASSUMPTIONS:

Salary and benefits expenditures continue to increase due to step, column movement and new hires. PERS increases by 1.31% and Health and Welfare Benefits increases by 9%.

Materials/supplies and services/operating expenditures are also increasing in 2023-24 due to the need of additional materials/supplies for ELO-P, and repay the Solar loan. The district also needs to repair classroom/school to maximize student's safety.

Additional training for Certificated and Classified staff will be provided in current and subsequent years with the recently available Educator Effectiveness Grant .

Contributions starting in fiscal year 2023-24 are projected to increase for Special Education program and Cafeteria. Transfers Out: Cafeteria continues to encroach in 2023-24 and subsequent years. The district will spend all one-time funding by June 30, 2024.
