

West Hoke Middle School

7th Grade Student Parent Teacher Compact 2024-2025

School Mission

The West Hoke Middle School community will inspire, motivate, and educate lifelong learners in a safe, respectful, and nurturing environment.

Parent Support

- ❖ Monitor grades by checking Powerschool weekly and viewing progress reports
- ❖ Monitor/discuss assignments and due dates in Canvas with their child
- ❖ Attend parent-teacher conferences and parent information nights
- ❖ Encourage and discuss the importance of reading by ensuring children bring home library books (from the school library), and read 30 minutes daily
- ❖ Use online resources to help children practice Reading and Math skills
- ❖ Sign-up for Canvas notifications and keep an updated phone number for school and home communication
- ❖ Reach out to teachers when they have questions and concerns
- ❖ Keep students in school all day when possible

Teacher Support

- ❖ 7th grade teachers are using Remind for teacher/parent contacts. Our email address is also available on the school website
- ❖ Teachers and staff will provide a safe, nurturing, and respectful classroom and school culture
- ❖ Teachers will ensure students receive targeted intervention within the instructional day to improve their Reading and Math skills. Standards will be strategically taught with evidence-based programs, blended learning, and activities through our FLEX program
- ❖ North Carolina's Literacy Instruction Standards will be integrated across the curriculum in all subjects
- ❖ Teachers will use a Multi-Tier System of Support in our classrooms
- ❖ Teachers will update student grades so that they reflect student progress each Friday

West Hoke Middle Students

- ❖ I will follow all policies and procedures in the West Hoke Middle School Student Handbook in regards to behavior, procedure, and academics
- ❖ I will work to complete all assignments no matter the difficulty level. I will ask for assistance when needed.
- ❖ I will stay abreast of my assignments and due dates so that I do not get behind.
- ❖ I will use technology responsibly and take care of my Chromebook
- ❖ I will go to the library more often, try to check out more books on unfamiliar topics, and expand my reading experiences with a variety of genres.
