GT/PTP Newsletter

October 2024

THANK YOU!!

Thank you so much for sacrificing your time to come out to our GT/PTP Informational meeting September 24. It was great getting to meet many of you and to be able to answer questions that you may have had. As I stated that evening, please contact me if you have any questions regarding your student or anything Gifted and Talented related.

FIELD TRIPS

I am currently looking for field trip opportunities for the GT/PTP students. Please be on the lookout in the near future for communication regarding this effort.

VISUAL/PERFORMING ARTS STUDENTS

Students that are Gifted and Talented or in Primary Talent Pool in the Visual Performing Arts areas are currently being serviced by district VPA personnel. These individuals are currently scheduled to be in the school roughly twice a month. Once the audition window closes in December, their meeting time will be more frequent.

FALL TESTING WINDOW

Arlington's testing window for all Gifted and Talented academic areas will be October 21-November 4, 6, 7 and 8 with make-up dates the following week. At this time the Iowa and CogAT tests will be administered to all 3rd Graders. Identified 4th and 5th graders to be retested will test the week of November 18.

Auditions for Visual Performing Arts (VPA) will be held from November 1 through December 13. VPA auditions are for students being considered for Gifted and Talented in the areas of Visual Art, Dance, Drama and Music.

If you have any questions, please don't hesitate to reach out to me.
