We're all in for Breck!

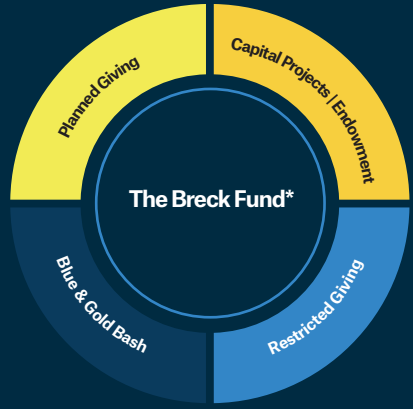

What is the Breck Fund?

At Breck, as at most private schools, every student's education is subsidized by philanthropy because tuition and fees cover only 80% of the full cost of attendance. We rely on the generosity of our parents, alumni, and friends to bridge the funding gap which enables us to deliver the full Breck experience. If you are considering making a tax-deductible gift to the school, the Breck Fund is where you can make the most immediate impact on your child's experience within the current school year.

The Breck Fund is central to all philanthropic activity and supporting the Breck Fund today bolsters every aspect of our students' academic and extracurricular experience. Our goal is 100% participation by all members of the Breck community and no gift is too small to make an impact.

When it comes to providing our children with the lifelong benefits of going to Breck—
We're all in.
