

## ADMISSION OF STUDENTS FROM NON-CHARTERED OR HOME EDUCATION

Students seeking admission into the District's schools who have been enrolled in non-chartered schools or receiving home education may be required to take competency examinations. The purpose of these examinations is to determine the proper grade placement for these students.

In making a placement decision, the Superintendent may consider:

1. whether to require the student to take any or all of the nationally normed, standardized achievement tests that are regularly scheduled for District students of similar age and
2. other evaluation information that may include interviews with the student and the parent.
