## School Building Advisory Committee (SBAC2) Enters Its Second Phase

The next phase of the School Building Advisory Committee (SBAC) starts this month. After a September application period, three new residents at-large and three alternate members were selected. They join 13 members of Phase 1 that will carry over to Phase 2. **They will be appointed at the next Town Council and School Board meetings on October 16th and 17th, respectively.**

After their appointments, the SBAC will have its first meeting on Monday, October 21st from 6:00-8:00pm in Council Chambers. Their work will center around **working with a consultant to review the four concepts** brought over from Phase I, which occurred this past spring. In their first meeting they will develop a consultant selection team made up of 5 committee members. Additional members to the consultant selection team will be one Board member, one Town Councilor, Superintendent Nadeau and Town Manager Tom Hall. ## 2024-2025 School Calendar

This year's calendar will allow for up to two "traditional snow days" (or any type of unplanned "no school" days). If more than the allotted two days are needed, those days will be **asynchronous** remote learning days, consistent with how the school calendar has looked like for the past few years. Your child's school will be sharing more details about what that will look like as the year unfolds.

The 2024-2025 school calendar can be found [here](#).
