

California Healthy Kid Survey

Parents/Guardians

Your input is invaluable in shaping the future of our educational system and ensuring a safe, supportive, and healthy environment for all students. The survey provides critical insights into your child's school experience, highlighting areas where improvements may be necessary. Your perspective on topics like safety, bullying, mental health, and overall wellness help educators and administrators understand the unique needs of our students. This information aids in tailoring educational programs and support services to address specific challenges your child may be facing. Thank you for your active involvement in this crucial process.

Please Note: Once you start the survey it will let you select the language you would like to take it in.
