### **Special Education Program Hosts Extended School Year Summer Olympics Event**

ENCINITAS – The Encinitas Union School District (PreK- 6<sup>th</sup> grade Special Education Program) would like to invite you to join us on Thursday, July 18<sup>th</sup> at Park Dale Lane Elementary School, to honor our student athletes as they participate in our Extended School Year Summer Olympics. The day begins with a parade of athletes displaying their classroom banner at 8:55am, followed by their sporting events and fun. The event ends with a medal ceremony at 9:50am.

We have children with a range of abilities and each activity is designed to accommodate all levels of needs. Our program consists of 8 classrooms serving approximately 65 students from all 9 schools within our district.

Our theme this year is “We Love the USA” and the students have all created amazing art and projects around this theme! We are very excited and would like to invite you to come out to experience and report on this inspirational event. Our Olympics program was the vision of one of our Adaptive Physical Education teachers who passed away from cancer; we have continued this legacy event in her honor.
