

West Valley Central School

Elective Course Selection Tool 2023

Rank your top 10 elective choices with a rating of 1 being the elective you would like the most to 10, the elective you would like the least. Select electives in multiple subject areas. All electives in a given subject area will not be offered every year. Selecting multiple electives provides greater flexibility for student scheduling. When completed, please return to Mr. LaBrake or email mlabrake@wvalley.org.
