

# Wadsworth City Schools Whole Child Initiative 24-25

## **SAFE**

Each student learns in an environment that is physically and emotionally safe

## **ENGAGED**

Each student is actively engaged in learning and connected to the school and broader community.

## **SUPPORTED**

Each student is educated by qualified, caring adults with instruction and support based on the student's individual needs.

## **CHALLENGED**

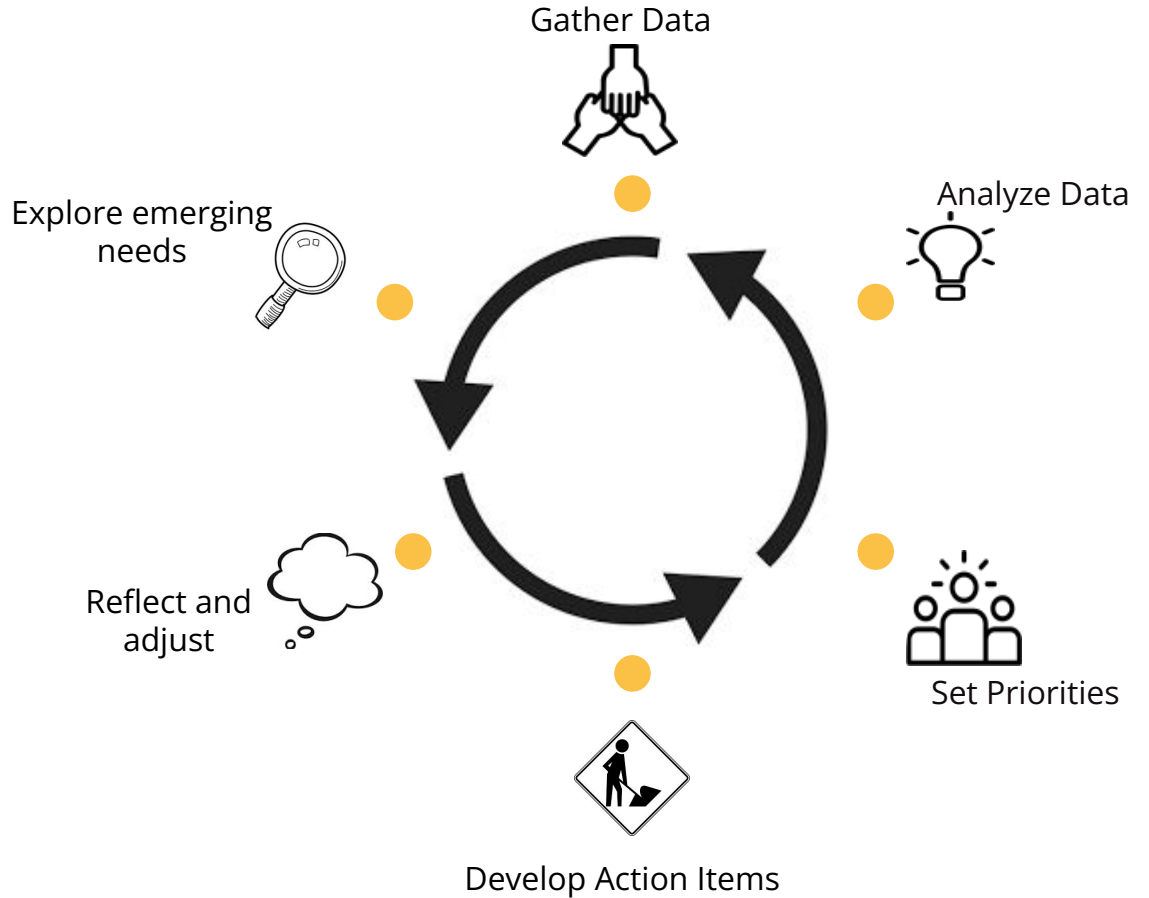

Each student is challenged academically and prepared for success.

## **HEALTHY**

Each student is healthy and practices a healthy lifestyle.
