

## What is the TPS Fund?

For over 50 years, The Philadelphia School has educated students to be confident change-makers, curious learners, and compassionate citizens. The TPS Fund has been instrumental in realizing this legacy.

Like most independent schools, TPS fundraises every year to support its mission and growth. Thanks to the generosity of our community, the TPS Fund bridges the gap to provide the resources essential for delivering an unparalleled progressive education annually. Gifts to the fund create accessibility through tuition assistance, inspire through experiential learning, and empower our faculty and staff through professional development.

TPS nurtures far more than just students — we nurture unique individuals ready and eager to lead lives of purpose and impact. Join us in shaping this future through the TPS Fund.

The Philadelphia School educates children for a future that is impossible to know but not impossible to shape.

## The TPS Fund

## What's your Giving Story?

For our students.  
For our teachers.  
For our future.

## Unlocking Extraordinary Possibilities

The TPS Fund goes beyond tuition, supplying resources and opportunities that shape unique student journeys. Our community has transformed the school into a vibrant academic environment, embracing students from all walks of life.

By contributing to the TPS Fund, you champion tuition assistance, fuel experiential learning, and amplify professional growth. Your support makes the difference between a great education and an exceptional one — it helps remove financial obstacles and makes their TPS journey possible.

Every gift, no matter the size, becomes an investment in our students' future, forging an enduring legacy of equity, excellence, and generosity. We thank you for your support in making that possible.

### Tuition Assistance

Tuition Assistance, made possible in large part by the TPS Fund, supports the enrollment of approximately one-third of our learners. A student who receives tuition assistance can receive support of up to 95% of the cost of their education, which often makes their TPS journey possible.

### Educational Programming

The TPS Fund helps to enhance so many aspects of our progressive education including:

- TPS traditions such as family groups, the Thanksgiving feast, and mini-courses
- Musical & theatrical performances
- City field trips to learn and explore The Free Library, PMA, and Penn Museum, among others
- Middle School outdoor experiences
- Athletic teams and uniforms
- Supplies for thematic studies and our seed-to-table program.

### Professional Development

Our faculty and staff want to be the best educators for your children. A contribution to the TPS Fund empowers them to pursue continuing education opportunities, ranging from math workshops, to seminars on diversity, to conferences that will enhance the middle school learning experience.

## Ways to Give

When it comes to giving, we are deeply grateful for your generosity and no gift is too small. Whether you want to make an immediate impact or create a lasting legacy, we are here to help you make a plan. We invite you to make the TPS Fund a philanthropic priority in whatever way you are moved to do so. Here are some of the many ways to support TPS:

- Cash, check, and online giving
- Planned Giving
- Employer matching gifts
- Sponsorship and in-kind donations
