## SANTA FE JUNIOR HIGH

“A great place to learn!”

Dear Parents and Guardians,

It is our goal to partner with you for the safety of our students. We are aware that student drop-off and pick-up can be challenging. This letter is to provide guidance for student car riders and walkers during drop-off and pick-up times for SFJH. Please see the map for designated drop off and pick up areas.

The HEB parking lot is private property and is not managed by SFISD staff or police. The parking lot is not a designated drop off/pick up zone for SFJH students. This parking lot is already very busy, and with the addition of Whataburger, the parking lot traffic will only get busier. Our concern is that if SFJH parents and guardians continue use of this parking lot for drop off /pick up, it will increase the chances of unnecessary risks to student safety.

When students are dropped off or picked up in the HEB parking lot, they cross the entrance and exit areas of the bus parking lot. We ask our SFJH parents/guardians to refrain from using the HEB parking lot for school pick-up and drop-off purposes moving forward. We must take every possible measure to reduce pedestrian traffic in front of the buses to ensure the safety of everyone involved.

We have officers, crossing guards, and staff members all working to keep students, staff, and the community safe. We appreciate your cooperation and understanding. We will continue to look for ways to improve the efficiency and safety of the morning drop-off and afternoon dismissal of students.

Thank you for your continued support!
