INTERNSHIPS & WBL EXPERIENCES

Our Family and Human Services pathway offers valuable internships and work-based learning opportunities that provide hands-on experience and essential certifications for future careers. Students can intern at the **Goodwill Olive Branch Resource Center**, develop administrative skills as a **Teamsters Office Assistant**, engage with the **Community Event Tech Team**, and support food security through **Produce Distributions**. Work-based learning experiences also include certifications in **CPR**, **OSHA**, **Food Handlers**, and **HIPAA**, equipping students with crucial skills for their professional journeys.
