Hey Scotties, the Leadership is working on the Dia De Los Muertos Display located in the main entrance of the school and would kindly ask to please leave the display alone. You are more than welcome to look but “do not touch”. You are more than welcome to display pictures of your loved ones.

Just a reminder...Students, please do not open the entry door. We know you are just trying to help but the office will BUZZ them in.....

Also, there is a sign on the office door leading from the hallway....Students *Please* do not use this door to come into the office.
