October, 2024

Dear High School Parents,

As we embark on the 2024 Annual Giving Campaign, I am filled with deep appreciation for the incredible support that you have shown to Saint Francis High School over the years. It's clear that you recognize the profound impact Saint Francis has on students, and you're committed to contributing to their ongoing success now and in the future. You are an essential part of our Saint Francis family, and your contributions have enriched the educational opportunities we proudly offer your children.

Each year, we set ambitious goals to continue improving the student experience, and this year is no different. At the high school, our primary focus this year is on raising the remaining funds to construct a state-of-the-art, interactive horticultural greenhouse/classroom that will be beneficial for all of our students. Please see the attached rendering of this project. The addition of this facility will enrich our students' experiences and enhance our science education curriculum by providing hands-on learning opportunities, all while improving the aesthetics of our campus.

We're making progress towards the greenhouse and invite you to be a part of this project.

- **Projected cost of the project (campaign goal):** \$150,000
- **Amount already raised:** \$50,000
- **Incentive at \$100,000:** Chick-fil-A breakfast for students
- **Celebration at \$150,000 goal:** Non-uniform week for students

To donate, please designate "High School - Interactive Horticultural Greenhouse/Classroom" on your donation form to ensure that your contribution is directed toward this impactful project. If you wish to support another area of the High School, select the "Other" option, designate the "High School," and specify how you want your contribution allocated.

The Annual Giving Campaign has grown each year, a true testament to the commitment and generosity of our entire school community. On behalf of the students, faculty, and administration, I want to extend my heartfelt thanks for your unwavering dedication to Saint Francis High School.

Go Knights!

Sincerely,

Brad Etter
