October 2024

Dear Harbor School Families,

You are invited to our Harbor School Halloween Parade on: Thursday, October 31, 2024 at 9:30 a.m.

We are excited about our annual Halloween parade this year! Our kindergarten students will begin our parade at 9:30 a.m. sharp followed by our first-grade students, continuing in grade order with our fifth-grade students as our finale!

The students will exit the school on the right-side door of the Harbor School. They will march to the end of the road, loop around the circle and then re-enter the school. Please be mindful of the parking at the school and note that the school grounds will be closed at 9:20 a.m.

All students should wear their costumes to school on Thursday, October 31, 2024. Please help your child select a costume that is appropriate for all elementary school students. Costumes that reflect violence are often scary and upsetting to our younger children and fake weapons will not be permitted in school. Inflatable costumes are not safe to wear throughout the school day, but can be inflated for the parade route only. Further, masks are not allowed to be worn; we need to see your child's smiling face!

In the event of rain, our parade will be held indoors, and for safety reasons, only staff and students will be able to attend. Thank you for your cooperation in making this an enjoyable event for our students. We look forward to a wonderful parade and an exciting Halloween at the Harbor School!

We wish you a happy and safe Halloween!

Yours in Harbor Pride,
