Message from the Principal

Hello KTA Families and Friends:

Welcome back! We hope you had a wonderful and restful Fall Break. We are gearing up and excited to be kicking off Quarter 2. We have so many exciting things happening.

Did you know that we have our own Running Club for K - 5th grade students. Instructors are Mr. Smith and Ms. Stenberg. Students will learn about living a healthy and active lifestyle. Classes start Nov 4. The flyer went home this week. More information can be found on our Community Ed website.

We also have our Kyrene eSports program for 6th - 8th graders. The cost is only \$50 which includes the classes and a t-shirt. See information below.

Our Fall Festival is coming up and the PTO really needs your help to run this. They are looking for volunteers to supervise the bouncies, serve food, sell tickets. Please consider donating 30 minutes of your time at this event. Links to sign up are below.

Turkey Trot t-shirts - the deadline for orders has been extended to Monday!!!!

If you ordered items from our on-line school store, they are expected to be completed around October 28, so more than likely will be delivered the first full week in November.

Tuesdays and Thursdays we are opening up STEM lab to parents and guardians. Use the Sign-up Genius link if you are interested. Helpers will visit with students while they work on creations or experiments. Mrs. Abel will meet you in the office and go over whatever projects are going on that day. It's super fun and easy. STEM lab isn't about having all the answers, it's about asking why and how our world is put together. Help us inspire future scientists and creative thinkers!

List your child's classroom teacher so we can be sure your student will be visiting the lab while you are there. Any questions? Email- Mrs
