The Rotary Club of Ann Arbor is pleased to announce its 2024 Community Grant Program focusing on *Helping Kids Succeed*.

Preference will be given to programs that address our three goals within Washtenaw County:

- Helping children of all ages in our area to grow educationally and socially.
- Helping young adults learn skills to succeed in later life.
- Providing support services for at-risk children

Please note the following requirements:

- Agencies may receive funding two years in a row. Agencies that received funding from Rotary Club of Ann Arbor in both 2022 and 2023 are not eligible for funding in 2024 but will be eligible in 2025.
- One application per organization is permitted. The application requires the name of the applying organization's CEO or Executive Director.
- Program delivery must occur within Washtenaw County.
- Program delivery will be considered but not fundraising events.
- Budgets for the applying organization and for the specific program for which funds are requested.
- A list of the applying organizations current Board of Directors.
- A copy of the applying organization's 501(C) (3) certification
- The applying organization may identify/count its constituency (number of clients served) in the standard, accepted manner for that type of non-profit organization.
- Applications should not exceed five (5) pages in length (not including budget pages and attachments) and be in 12 point or larger font.
- Applications must be emailed to [RCAAGrants@comcast.net](mailto:RCAAGrants@comcast.net) and received on or before Midnight Thursday February 29, 2024

Decisions on grants, limited to \$5,000 for programs, \$3,000 for scholarships (to help youth participation in the proposed program) will be sent to applicants by the end of April 2024.
