Directions

1. Insert page break to create a new last page.
2. Title it: Works Cited
3. Make sure entries are in alphabetical order.
4. Make a copy of your citations and paste it below your original citations.

On your original:

5. Clear formatting
6. Double space
7. Hanging indent (align and indent, indentation options, special indent, hanging indent)
8. Restore italics, etc from copy style.
9. Delete copy of citations.
