### Response to the pandemic

**2021-22 School Year:** The majority of students returned for in-person learning, with a very small number of students utilizing our Hybrid Learning Program. Co-curricular activities and sports continued, including the return of competitive sports fixtures.

Further information about grading and the school services offered during COVID-19 is available on our student transcripts.

### Co-curricular and Sports Program

TASIS England believes in combining curricular with co-curricular education to create a well-rounded student. All TASIS England students complete our Community Service Program or the IB Creativity, Activity, and Service requirement. This extends the school day until 6:30 p.m.

TASIS England is a founding member of both the London School Sports Association (LSSA) and the International Schools Athletic Association (ISAA) which provide students with opportunities to participate in competitive sports fixtures and/or tournaments hosted in both the UK and destinations throughout Europe. TASIS England also offers a wide range of recreational/social sports alongside a comprehensive list of activities such as conditioning, kickboxing, MUN, Medical Society, Wildlife Club, and horseback riding to mention just a few of the options available.

There are currently 35 co-curricular clubs and student-led activities, ranging from special interest and service-based groups to the Duke of Edinburgh Award and the TASIS Student Leadership Academy. We encourage an exploration of the Arts which form a large part of our co-curricular experience with concerts performed by our orchestra, choirs, ensembles, various bands, and an a cappella group, art exhibitions created by our Visual Arts students, and theatre productions performed by our Drama groups. Our active Student Prefect and Student Leadership teams are responsible for coordinating an extensive and varied program of on-campus events.
