

Jefferson County School System Goals 2024-2025

Many parents will sign school parent compacts in September and October 2024 for the 2024-2025 school year based on these goals
Thank you for pledging to work with us to achieve our goals

District Goals

- Decrease the achievement gap between the highest performing subgroup and all other subgroups in all grade levels and content areas by 3% of potential growth or the state assessments.
- Create a healthy and restorative school culture and climate that uses collaborative problem-solving approaches to address conflict in schools and meets the needs of the whole child as measured by school climate ratings.
- Create an evaluation system that focuses on progress and outcomes that monitors program effectiveness in all special education environments.
- Increase teacher retention to improve teacher effectiveness and to increase potential leader pool.
