

T. Pierce Professional Biography

Tiffany Pierce entered career and technical education with over 15 years of experience that she continues to develop to ensure that her students have the most up to date knowledge and training. She prides herself on her different roles in the pharmacy profession. Mrs. Pierce feels that her expertise in healthcare can help her students gain insight on real world expectations. Initially, her career path was not oriented toward education; however, once she entered the field she discovered a profound passion for teaching. This unexpected journey has allowed her to develop a deep commitment to and enthusiasm for fostering student growth and learning.

Most people would believe that Mrs. Pierce would list her greatest accomplishment as having her pharmacy technician training program becoming one of the first high school level nationally accredited in the Richmond tri-cities area, but she would say that her greatest accomplishment is seeing her students gainfully employed in the healthcare field. Which she feels is the sole purpose of her being in CTE.

In addition to teaching Mrs. Pierce serves as a member of the Pharmacy Technician Educators Council and the Virginia Pharmacy Association. She is a Pharmacy Technician Certification Board- certified educator and a member of the American Society of Health-System Pharmacists. She also serves as the lead HOSA advisor at the school level and recently accepted the position as the HOSA Competitive Events Coordinator at the state level.

Mrs. Pierce is also the Assistant Director of Street Smartz Over Safety and a Prevention Partner with the Trauma Healing Response Network.
