Sunday, October 20, 2024

Principal Message

Cardinal Families,

This week at Locust Grove Primary, we have several exciting activities to look forward to! First-grade students in the following homerooms will embark on their Graves Mountain field trip on Monday: Ms. Ryan, Ms. Hamilton, Ms. O'Brien, & Ms. Dominguez. The remaining first-grade classes are scheduled to attend on October 28.

Don't forget, the PTA's Boo Grams deadline is this Thursday, and we're looking forward to seeing everyone at our joint PTA Truck or Treat event with LGES on Friday evening. It's a full week, and we are grateful for your continued support in helping make these events a success for our students!

-Mr. Finger

Home Resources

Learning begins and ends with our children's first and most important teacher; their family.

Reading

Create a Reading Ritual

Choose a special time each day, like right after dinner or before bed, for a 15-minute family reading time. Let your child pick a book, and take turns reading together. This builds not only reading skills but also creates a cozy, positive experience around books that your child will look forward to. Make it a fun routine, and soon they'll be asking for more time to read!

Math

Make Math Part of Daily Life

Engage your child in everyday math by counting items together, such as setting the table and counting plates, or while shopping, ask them to add up prices or compare quantities. Turning daily tasks into math moments helps them see math in action and builds important problem-solving skills in a fun, practical way.

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Try to schedule non-urgent related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have a contagious illness, call your school or health care provider for advice.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

Ayude a su niño a tener éxito en la escuela: desarrolle el hábito de la buena asistencia escolar desde los primeros años

¿SABÍA USTED?

- A partir de preescolar y kínder, demasiadas ausencias pueden hacer que los niños se retrasen en la escuela.
- Faltar un 10%, o aproximadamente 2 días al mes durante el transcurso de un año escolar, puede dificultar el aprendizaje de la lectura.
- Los estudiantes aún pueden quedarse atrás si faltan solo uno o dos días cada pocas semanas.
- Llegar tarde a la escuela puede provocar una baja asistencia escolar.
- Las ausencias y tardanzas pueden afectar a toda el aula si el docente tiene que retrasar el aprendizaje para ayudar a los niños a ponerse al día.

Asistir a la escuela con regularidad ayuda a los niños a sentirse mejor con la escuela y con ellos mismos. Comience a desarrollar este hábito en el preescolar para que aprendan de inmediato que es importante ir a la escuela a tiempo, todos los días. Con el tiempo, la buena asistencia escolar será una habilidad que les ayudará a tener éxito en la escuela secundaria y la universidad.

LO QUE PUEDE HACER

- Establezca una rutina regular para la hora de dormir y una rutina matutina.
- Elija y disponga la ropa y empaque las mochilas la noche anterior.
- Mantenga a su niño saludable y asegúrese de que haya recibido las vacunas necesarias.
- Presente a su niño a sus docentes y compañeros de clase antes de que comience la escuela.
- Desarrolle planes de contingencia para llegar a la escuela si surge algo. Llame a un familiar, vecino u otro padre.
- Trate de programar las citas médicas y los viajes largos para cuando no haya clases en la escuela.
- Si su niño parece tener ansiedad por ir a la escuela, hable con los docentes, los consejeros escolares y otros padres para que le aconsejen cómo hacer que su niño se sienta cómodo y emocionado por el aprendizaje.
- Si le preocupa que su hijo pueda tener una enfermedad contagiosa, pida consejo a su escuela o proveedor de atención médica.
- Si su niño debe quedarse en casa debido a una enfermedad, pídale a los docentes recursos didácticos e ideas para seguir aprendiendo en casa.

¿Cuándo se convierten las ausencias en un problema?

Nota: Estos números se basan en un año escolar de 180 días.
