Hahn Helper Program

Dear Hahn Families,

We are excited to announce the return of our Hahn Helpers program. This initiative is designed to enhance the learning experience for our students by providing additional support in the classroom. We will be sending a monthly communication out to families containing a new sign up sheet for the following month.

Hahn Helpers will consist of volunteers who will work alongside our dedicated teachers and students throughout the school day. Helpers will assist with various activities, including reinforcing math facts, reading stories, and engaging in hands-on learning activities. Helpers will rotate every thirty minutes to provide support across many classrooms. Additionally, volunteers will help supervise during recess and lunch, as well as dismissal to help ensure a safe and enjoyable environment for all.

To ensure the safety and well-being of our students, all volunteers must undergo a background check. This same check is done for field trips so many of you may be ready if that form was already filled out and turned in. We appreciate your understanding and support in this important step.

If you are interested in becoming a Hahn Helper or would like more information about the program, please contact me, Ms. Gay. My email is mgay@davisonschools.org. We encourage you to get involved and help us make this program a success!

Thank you for your continued support in fostering a positive learning environment for our students. Please take a moment to fill out the form below!
