Kyrene de la Mariposa – Computer Science Academy

October 18, 2024

Message from the Principal

Dear Families,

I hope that you and your families had a relaxing Fall Break! We are excited to be back in school and are looking forward to a great second quarter!

Trunk or Treat is returning on Friday, October 25th. The event will be held on the north field from 5:00 - 7:00 PM. Food trucks will be available for families to purchase dinner. Support your child's classroom by donating candy for this exciting event. The class that brings in the most candy before Friday, October 25th will win an ice cream party.

The Scholastic Book Fair will be held the week of October 21st during the school day. Be on the lookout for a flyer explaining when and how your child will have the opportunity to purchase books.

On Tuesday, November 11th, your students will be participating in a Day of Awesomeness to celebrate the success of the Step It Up fundraiser. Children will have the opportunity to enjoy an inflatable extravaganza. This is a day to dress in comfortable clothing and tennis shoes. Our families are what make all that we do at Mariposa so successful! Your support is very much appreciated as these monies provide additional resources for teachers in their classrooms. It does take a village and this village working together experienced great success! Please be on the lookout for a sign-up genius inviting you to support our students on the Day of Awesomeness!

We are excited that students are back and engaged in their learning. During the break on Tuesday, October 15th many staff were engaged in a workshop to further their professional development on how to utilize student engagement structures to ensure student participation. Every staff member had the opportunity to participate in a training either at Mariposa or elsewhere within our District that enhanced their skill set in the area within the school and area they support.

Thank you for being an important part of our Mariposa community. I am grateful for having the opportunity to work in this special place. Mariposa is home to a Computer Science Academy, to supportive and wonderful families and most importantly, beautiful children who are a joy to see and interact with each day!

Sincerely,

Spencer Fallgatter, Principal
