Logging into Homelink for the first time as a student.

**Step 1: Access your student Gmail Account.**
Your student gmail account is already created. Go to gmail.com and login to the email as an existing user using your student email address and student ID as your credentials.

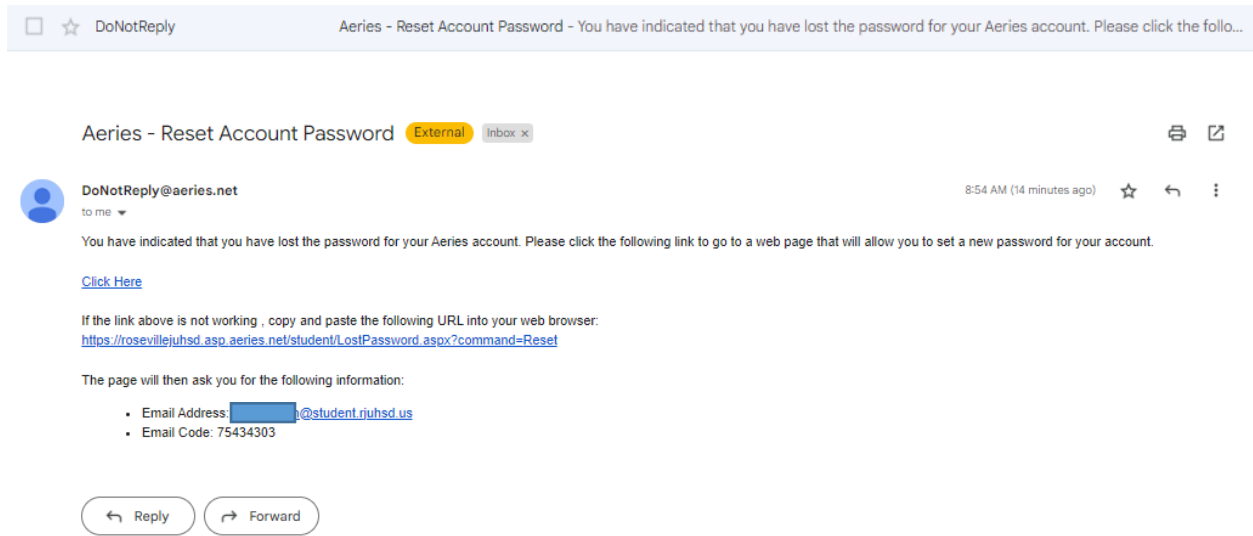

Step 2: Reset your password for Homelink.
On the Homelink login page you will enter your student email address and then click forgot password.

Step 3: Check your Gmail account for password reset email
