# Character Dress-Up Day with a Storybook Parade

Let's Celebrate Reading! We ♥ books!

**Thursday, October 31, 2024 at 8:30am**

**Who is ONE of your favorite characters from one of your favorite books?**

On Thursday, October 31<sup>st</sup>, every **PreK- 5<sup>th</sup> grade** student and staff member at Warner Elementary is invited to come to school dressed as their favorite storybook character. We are celebrating our love of reading with a character dress-up day and a storybook parade!

Maybe your favorite character is Gerald from Elephant and Piggie, Hermoine from Harry Potter, Pig the Pug, DogMan, Pigeon, SkippyJon Jones, Odder, Pig the Pug, Bad Kitty or Froggy? **As long as you are dressed-up as a character from a children's book, please participate!**

We have encouraged the students to be resourceful and creative! Make a character costume out of things that you already have at home. It doesn't have to be fancy or elaborate, we would just love for all kids to participate.

This year, we will have a parade to show off our amazing characters. **We are asking that each student carry a copy of their book during the parade.** Your child can check out the book from our library, or you can bring your book from home.

**Please remember that all attire must be appropriate for school.** Please, no witches, ghosts or other clothing that might distract from learning or scare others. All school and district expectations and rules still apply. All students are asked to wear **school clothing** under or with their outfits. *Please remember, the character must be from a book.*

**Parents, our apologies, there will be no visitors during the parade.**

If you have any questions, please feel free to contact the library.

I can't wait to celebrate reading with you!

# PBIS Rewards

## FAMILY APP INFORMATION

### WHAT IS IT?

As part of the PBIS Rewards suite of apps, the free PBIS Rewards Family App allows parents and guardians to view student point totals, number of referrals, items purchased with points, and upcoming events for which points can be used.

### HOW DO I GET CONNECTED?

Once you download the app onto a smartphone, you can scan a QR code to activate a student in the app. This QR code is unique to each student and is provided to the parent via a letter from the school. The app confirms the QR code, allowing the parent to access to their student's point totals and progress as the school year goes along.

### STEPS TO GET CONNECTED

**1**

Download the PBIS Rewards Family app on your device.

**2**

Wait for a text or email from your child's teacher which will include a link and QR code to help you get connected to your child.

**3**

- Communication**
  - Two-way messaging
- Points**
  - view teacher comments for points awarded
- Purchases made by student**
- Contact information for all teachers so parents/guardians can contact staff directly from the app.**

### WHY SHOULD I USE IT?

The PBIS Rewards Family App allows parents and guardians to track the progress and point totals of students. The parent/guardian can view the information for each child. The school can generate paper letters, emails, and/or text messages to connect parents and guardians with their students within the app.

### REMEMBER...

Remember that...

- This is an easy way to communicate with your child's teacher.
- Reinforce good behavior at home.
- Have conversations with your child about the behaviors and decisions that they make at school.
