

WE ARE JOINING A RECYCLING PROGRAM WITH TERRACYCLE!

In the lunchroom at Ravine Drive we will collect **specific items** for recycling to mail back to Terracycle for Recycling Rewards points. These points can be redeemed as a donation to our School! If your child eats any of these in their lunch or snack, they will be encouraged to put their trash in the correct bins in the lunchroom. They can also bring in these specific product wrappers listed below from home in their lunch bags and put them in the bins during lunch!
