Effective Date: 14 May 2014  
Revision Date: 05 Oct. 2020

## **A. PURPOSE**

To establish LEA policy and procedure governing the initiation, authorization, and review of all expenditures of DaVinci Academy.

## **B. SCOPE**

These policies, guidelines, and procedures are applicable without exception to all funds owned or administered by DaVinci Academy. All expenditures of DaVinci Academy are to be consistent with applicable state and federal laws and regulations; any restrictions, rules, or regulations placed on the use of the funds by donors and granting agencies; and prudent management practices. In addition, all expenditures must be reasonable and necessary for carrying out the programs and activities of DaVinci Academy and are to be documented in a way which clearly substantiates such reasonableness and necessity. This policy applies to all LEA administration, licensed educators, staff, students, organizations, and individuals that initiate, authorize, or process cash disbursements on behalf of DaVinci Academy. The scope includes all activities at DaVinci Academy and in all locations where LEA activities and public funds are expended.

It is expected that in all dealings, LEA employees will act in an ethical manner that is consistent with DaVinci Academy's code of ethics, the Utah Educators' Standards, the Public Officers' and Employees' Ethics Act, and State procurement law.

## **C. SEGREGATION OF DUTIES**

Wherever possible, duties such as custody of purchase cards and blank checks, initiating expenditures, approving expenditures, maintaining documentation, issuing checks and reconciling records should be segregated among different individuals. When segregation of duties is not possible due to the small size and limited staffing of DaVinci Academy compensating controls such as management supervision and review of cash disbursement records by independent parties should be implemented.

## **D. DEFINITIONS**

1. "Public funds" are defined as money, funds, and accounts, regardless of the source from which the funds are derived, that are owned, held, or administered by the state or any of its political subdivisions, including LEAs or other public bodies [Utah Code 51-7-3(26)].

"Small purchase" is the procurement of goods or services for which the total cost is less than \$50,000 and the total individual procurement items cost less than \$5,000, professional services (including architectural or engineering) costing less than \$100,001, and small construction projects costing less than \$100,000 (Utah Code 63G-6a-506, 53E-3-703, Administrative Code R33-5).

## F. DAVINCI ACADEMY PROCUREMENT THRESHOLDS

DaVinci Academy's procurement policy shall be followed for all qualifying purchases of goods or services. The procurement policy should include the basic items:

### 1. Small Purchases

- a. The "**individual procurement threshold**" for DaVinci Academy is \$5,000. This is the maximum amount that DaVinci Academy can expend to obtain a single item/service from one vendor at one time without requiring competitive purchasing (Utah Code 63G-6a-408, Administrative Code R33-5).
- b. The "**single procurement aggregate threshold**" for DaVinci Academy is \$10,000. This is the maximum amount that DaVinci Academy can expend to obtain any combination of individual procurement items/services costing less than \$5,000 from one vendor at one time up to \$10,000. (Utah Code 63G-6a-408, Administrative Code R33-5).
- c. The "**annual cumulative threshold**" for DaVinci Academy is \$50,000. This is the maximum total annual amount that DaVinci Academy can expend to obtain individual procurement item(s) costing less than \$5,000 purchased from the same vendor during the fiscal year (July 1—June 30) not to exceed \$50,000. If a purchase exceeds \$50,000, it is not considered a small purchase and shall be processed through a bidding process or a request for proposal (RFP) process (Utah Code 63G-6a-408 and Administrative Code R33-5).
- d. **Professional services**, such as architectural, engineering, accounting, legal, or consulting services costing less than \$100,000 may be awarded by direct negotiation after DaVinci Academy has reviewed the qualifications of at least three professional service providers. Services costing greater than \$100,000 shall be obtained using a competitive bidding or RFP process. The threshold for utilizing an approved vendor

list for professional services is \$100,000. A vendor is selected from a prequalification of potential bidders and approved potential vendor list created using an invitation for bids or an RFP under provisions in Utah Code 63G-6a-403 and 404 (Administrative Code R33-5).

**e. Small construction projects**

- (1) Costing less than \$25,000 may be procured by direct award without seeking competitive bids or quotes after documenting that all applicable building code approvals, licensing requirements, permitting and other construction related requirements are met.
- (2) Costing between \$25,001 and \$100,000 may be procured by obtaining a minimum of two (2) competitive bids or quotes that include minimum specifications and be awarded to the contractor with the lowest bid or quote that meets the specification after documenting that the requirements are met from (1).
- (3) Costing more than \$100,000 are not considered small construction projects and must follow the requirements outlined in Utah Code 53E-3.

**3. Artificially Dividing a Purchase**

- a. Utah Code 63G-6a-408 makes it unlawful to intentionally divide a procurement purchase into one or more smaller purchases to divide an invoice or purchase order into two or more invoices or purchase orders, or to make smaller purchases over a period of time.

This includes dividing the purchases or invoices over a period of time, or making separate purchases over a period of time. Purchase splitting often occurs when making purchases on a purchase card. Employees should not split invoices to stay under daily purchase limits on purchase cards or the established purchasing thresholds.
  - (2) It may be determined after an order is placed or received that a large enough quantity was not ordered, or the correct sizes were not obtained, and that additional items must be ordered. If this occurs, the employee initiating the purchase must include a written explanation of the purpose of the purchase and justification as to why it is not considered splitting a purchase. This should be retained with the vendor invoice.
