1. Choose core classes

Math Core Classes (full year class)	Put an X next to your math choice	Other
Intermediate Algebra		Pre-Requisite – successful completion of Algebra I
Algebra II		
Algebra III No college credit		
PreCalc Trig		
Algebra II Honors		
Algebra III Earn college credit		Signed Honor/AP agreement
Calculus (general)		
AP Pre-Calc		
AP Statistics		
AP Calculus AB		
AP Calculus BC		
Engineering Electives	Write in Elective Section Below	

Science Core Classes (full year class)	Put an X next to your science choice	Other
Chemistry		Pre-Requisite – successful completion of biology
Physics		
Honors Anatomy		Pre-Requisite – successful completion of biology
AP Environmental		Signed Honor/AP agreement
Chemistry Honors		
Biology Honors		
AP Biology		
AP Chemistry		
AP Physics I		
AP Physics C		Please write other science options below. Each are semester long unless indicated. Choose from: Astronomy, Wildlife & Fish Management, Anatomy & Physiology (not honors), Environmental Science, Zoology, Marine Biology, Forensic Science (year)
Other Science Electives	Write in Elective Section Below	

Social Studies Core Classes (full year class)	Put an X next to your social studies choice	Other
World History		
AP World History		Signed Honor/AP agreement

English Core Classes (full year class)	Put an X next to your English choice	Other
Eng/Lang Arts 11		
English AP English Lang & Comp		Signed Honor/AP agreement
Other English Electives	Write in Elective Section Below	

2. Select elective classes – See Junior Elective choice list and Course Registration Guide

Be aware, some electives are semester-long and some are year-long. Year-long electives count as two semesters, please write it twice.

Primary Elective Choices (Choose 4 semesters minimum)		Alternate Elective Choices (Choose 4 semesters)	
Course Name	If needed, teacher initial	Course Name	If needed, teacher initial

3. Read the Scheduling Parameters for juniors below.

Scheduling Parameters:

11th-grade students must enroll in a total of six classes each semester but may choose seven. It is the student's responsibility to know and understand the prerequisites, fees, requirements, and content for each class, so **be sure to refer to the Course Registration Guide**. All plans are subject to the availability of classes and staffing. Classes that are one full year in length require you to remain in class for the entire year. Student schedules are created based on student requests and course availability during the registration process in March. In order to best accommodate all students' class and credit needs, while balancing other aspects of our master schedule, optional **schedule change requests will no longer be available. Please choose your classes carefully now!**

4. Registration Process

- Indicate your class choices on the front of this card. Columbine counselors will input your choices online.

Turn in the following to Linda Green, at Columbine High School, counseling office:

- **This card**
- **Signed Honor/AP Agreement if needed**

Electives:

Please see the Junior Elective handout and/or Course guide for elective choices.

Honor and AP Classes:

Students who register for Honors classes are agreeing to remain in the class for the entire year. Please fill out the Honor/AP Agreement in conjunction with registration.

ICAP:

All students will complete an Individual Career and Academic Plan through the Naviance program. By signing below, I indicate that, by the end of April, I will discuss my student's ICAP with him/her. Students can pull up their ICAPs for parents through the Naviance website, accessible on the counseling web page under "Links." Please contact your son's/daughter's counselor with any questions.

I have reviewed the Course Registration Guide and the course policies for the classes I have selected. To the best of my knowledge, I have met all prerequisites and requirements for each class. When signing up for a year-long class, including Honors, I agree to remain in that class for the full year.

Signature of Student: _____

Date: _____

Signature of Parent: _____

Date: _____

Scan for course book & class information.

See Course Registration Guide on counseling website for course description, pre-requisites and course fees.

Use this sheet as a reference to complete the 11th grade registration card. **Place an X by your choices on the registration card for both core classes and write in your electives. Register for your electives in infinite campus portal.** Please ensure that you are signing up for the **correct course number.**

Sem or Year	If you only want one semester write SEM on your registration card.	If you want the full year course write YEAR on the registration card and submit both course codes for two full semesters.
