STUDENT ACTIVITIES

Agoura High School believes that students connecting with their passions and interests creates rewarding scholastic experiences. Academically, unique elective experiences allow students to express themselves and learn teamwork (including Yearbook and Student Leadership). AHS' inclusive environment encourages students to get involved in one of the 60+ clubs on campus (or to create their own student group). A lighthouse school for spirit, annual traditions, and student voice, AHS truly nurtures the social and emotional needs of students.

SPANISH DUAL IMMERSION

Our Spanish Dual Immersion program is a type of bilingual education for acquiring two languages by integrating native English speakers and native Spanish speakers in content and literacy instruction in both languages. Standard school subjects are taught in one of two languages. Beginning in kindergarten, the Spanish-speaking teacher teaches Spanish Language Arts and Social Studies while the English-speaking teacher teaches English Language Arts and Math. Students are in the Dual Immersion program through middle school, and enter their freshman year of high school in our "Spanish for Spanish Speakers" classes.

VISUAL & PERFORMING ARTS, FILM/BROADCASTING, & PRODUCTION DESIGN

Multiple Pathways: Visual Arts, Performing Arts (Theatre/Music/Dance), Film & Broadcasting, Production Engineering/Design, Costume and Make Up. Students apply and interview to be a part of the program. Upon completion, students will earn the State Seal on their transcripts/diplomas.
