KITCHEN MANAGER SPOTLIGHT

Alisha McFadden

New EMS Kitchen Manager-In her own words;

I grew up in a school kitchen and have helped and learned numerous things. Even after I graduated and left home I still would give a hand anytime I went back.

Most of my jobs have been surrounding food, handling money, and of course customer service. I have run many different point of sale systems.

Alisha has worked in McCall-Donnelly SD, Boise SD, a camp cook, coffee barista, pizza maker, and in a Pre-School Academy.

We are glad to have her and her family in our valley, and delighted to welcome her to our team.

Current year Free/Reduced meal applications are available. Applications are required to be renewed annually and qualify based on new year income.

Information is available on our website at www.emmettschools.org, Facebook and Instagram.

We encourage families to read the Parent Letter that includes the Income Guidelines for each meal status.

For example a family of 4 can have a household income up to \$57,720 and qualify for reduced price meals.

This is a huge savings for family budgets.

Applications can be filled out anytime during the school year when there is a change in household income or additional family members, seasonal workers, layoff due to injury, or if company layoffs occur.
