Full list of space concerns...

- No space for PE classes- doubled up PE classes for primary grades
- No space for music- two music teachers and only one teaching space- one teacher teaches from a cart and rotates to each classroom
- No space for partial year programming-
 - Independent Investigations
 - Project Think
 - Part time reading teacher
 - All of these teachers have either taught in the hallway or in a converted closet area
- Behavior Para, School Counselor, ADHD Para all share one office
- Special Education Facilitator and School Psychologist share a small walk space in the nurse's office
- Staff lounge is used for programming and not available for noon hour para lunch or para breaks.
- Breakout spaces are now a small desk and chair located outside of many rooms where support staff can provide small group instruction
- Two Deaf and Hard of Hearing staff split one office
- Special Education staff use calming room for workspace
- Media center is used for work space for teachers on prep who need to give up room for music, independent investigations, project think, etc.
- No large space for band/orchestra- all other schools have additional gym
- Studio is used for RELATE counseling and GRIEF COUNSELOR- tiny space
- No large space for school assemblies- other buildings have bleacher gym
