

NilesK12 Student Digital ID for Summer School

Accessing your Digital ID

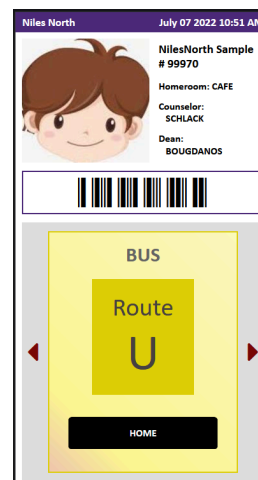

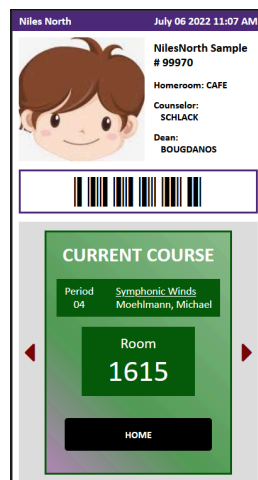

To log into your Digital ID, go to <https://www.nilesk12.org/myid>, enter your Nilesk12 username and password, and the ID will display.

This digital version can be displayed on a phone or mobile device and provides additional features including real-time fields such as the time of day, bus route and current class,

The digital ID can be accessed on a laptop or phone via web browser through the “MY ID” button in <https://www.nilesk12.org>. It can also be directly accessed via this url: <https://www.nilesk12.org/myid>.

When a student loads the ID, the information displayed will be time relevant. For example, the student’s Bus Route information will automatically display. If the ID is loaded during the school day, the student’s current course will automatically display.

Each screen provides a Home button to access the ID dashboard which allows the ability to display any relevant information.
